MEMORANDUM

October 27, 2009:

ANNMARIE MABBUT v. CLERK OF THE BOARD OF SUPERVISORS (09059)

COMPLAINT

THE COMPLAINANT ALLEGES THE FOLLOWING:

Complainant Annmarie Mabbutt alleges that the Clerk of the Board of Supervisors (the "Clerk") failed to provide a legally adequate description of legislative items related to Ordinance #050990 (actually, Board File #050990, Ordinance #0182-05) when they appeared on agendas and minutes related of the Board of Supervisors and the Board's Budget and Finance. The deficiency alleged is that the descriptions were neither clear nor accurate and thus violated the requirements of the Sunshine Ordinance and possibly other public meeting and records laws.

COMPLAINANT FILES COMPLAINT:

On 9/10/2009, Ms. Mabbutt filed a Complaint against the Clerk for her alleged violations of Sections 67.7(a) & (b), and 67.7-1 of the Sunshine Ordinance, as well as other possible public meeting and records law provisions.

JURISDICTION

The Clerk is a City department under the San Francisco City Charter and thus the Task Force has jurisdiction over this issue.

APPLICABLE STATUTORY SECTION(S):

Section 67 of the San Francisco Administrative Code:

Section 67.7(a) & (b) deal with descriptions of agenda items for a public meeting.

Section 67.7-1 deals with the notice to be provided by City agencies to residents regarding any activity that may affect their property or the neighborhood.

Sections 54050 et seq. of the Cal. Government Code (the "Brown Act")

Section 54954.2 deals with posting of agendas and description of items in those agendas.

MEMORANDUM**APPLICABLE CASE LAW:**

- *Phillips v. Seely* (1974) 43 Cal.App.3d 104, 120 ("where the subject matter to be considered is sufficiently defined to apprise the public of the matter to be considered and notice has been given in the manner required by law, the governing body is not required to give further special notice.").
- *Carlson v. Paradise Unified Sch. Dist.* (1971) 18 Cal.App.3d 196, 200 ("it is imperative that the agenda of the board's business be made public and in some detail so that the general public can ascertain the nature of such business.").
- The California Attorney General has concluded that, under Government Code § 54954.2, the agenda must include a sufficient description "to inform interested members of the public about the subject matter under consideration so that they can determine whether to monitor or participate in the meeting of the body." See *The Brown Act: Open meetings for Local Legislative Bodies*.

ISSUES TO BE DETERMINED**1. FACTUAL ISSUES**

A. Uncontested Facts: The Board of Supervisors considered the legislative item referred to as File #050990 during the year 2005 and eventually enacted it as Ordinance #0182-05. The committee and full board meetings where File #050990 was considered were publicized via an agenda that included a description of that item.

The short title of the proposed ordinance was "Recreation and Park Department – Athletic Field Permit Fees for Adults." The longer title was "Ordinance making environmental findings and amending the San Francisco Park Code, Article 12, by adding Section 12.36 to increase fees for the use of athletic fields by adults."

B. Contested facts/ Facts in dispute:

It is unclear how the legislative items in question were described in the agendas or minutes of the Board of Supervisors and its committees, as complainant had not provided those descriptions with her complaint, nor had the Clerk responded, as the time of this memo.

Ms. Mabbutt alleges that the agenda item descriptions for File #08056 were legally deficient in that they were neither clear nor accurate. She further alleges that the description on the face of the proposed ordinance was likewise legally deficient in that it was neither clear nor accurate. It appears from Ms. Mabbutt's citation of §67.7-1 that she believes the item may have required notice to residents of a specific area affected by the proposed ordinance, but this is not entirely clear from her complaint.

MEMORANDUM

QUESTIONS THAT MAY ASSIST IN DETERMINING FACTS:

- What was the exact description of the item when it was on the meeting agendas of the Budget Committee and full Board of Supervisors for consideration?
- Was notice of the proposed legislation mailed to residents of any specific geographic area that may have been affected by its passage?

LEGAL ISSUES/LEGAL DETERMINATIONS:

- Were sections of the Sunshine Ordinance, Brown Act, and/or California Constitution Article I, Section three violated?

SUGGESTED ANALYSIS

Under Section 67.7(a) of the Ordinance:

- Was the agenda description of the legislative item in question a "meaningful description"?

Under Section 67.7(b) of the Ordinance:

- Was the agenda description of the legislative item in question "sufficiently clear and specific to alert a person of average intelligence and education whose interests are affected by the item that he or she may have reason to attend the meeting or seek more information on the item"?
- Was the agenda description of the legislative item in question "brief, concise and written in plain, easily understood English"?

Under Section 67.7-1 of the Ordinance:

- If notice of the legislative item was mailed to residents of a specific area, was the notice "brief, concise and written in plain, easily understood English"?

Under Section 54954.2 of the Brown Act:

- Was the agenda description of the legislative item in question a "brief general description"?
- Was the agenda description sufficient "to apprise the public of the matter to be considered"?

MEMORANDUM**CONCLUSION**

THE TASK FORCE FINDS THE FOLLOWING FACTS TO BE TRUE:

THE TASK FORCE FINDS THE ALLEGED VIOLATIONS TO BE TRUE OR NOT TRUE.
