MEMORANDUM

RAY HARTZ v. SAN FRANCISCO POLICE COMMISSION (10051)

COMPLAINT

THE COMPLAINANT ALLEGES THE FOLLOWING:

Complainant Ray Hartz alleges that the San Francisco Police Commission ("Commission") failed to comply with the requirements of Administrative Code § 67.15(e) due to Commission President Joe Marshall changing the order of the agenda without taking a vote to do so or taking public comment on this change, and by denying members of the public the opportunity to comment on agenda item 2.

COMPLAINANT FILES COMPLAINT:

On September 27, 2010, Mr. Hartz filed a complaint against the Commission.

JURISDICTION

The Commission is a policy body of the City; therefore this committee generally has jurisdiction to determine whether there was a violation, as alleged.

APPLICABLE STATUTORY SECTION(S):

Section 67 of the San Francisco Administrative Code:

Section 67.15(e) of the Sunshine Ordinance deals with changes in meeting agendas by the presiding officer of a policy body.

APPLICABLE CASE LAW:

none.

ISSUES TO BE DETERMINED

Uncontested Facts: Complainant alleges that, at the September 22, 2010 meeting of the Commission, Commission President Marshall changed the order of the agenda items without discussion by the Commission, public comment, or a vote of the Commission. Complainant further alleges that President Marshall also denied all members of the public the ability to comment on agenda item #2.

The Commission does not contest that President Marshall changed the order of the September 22, 2010 meeting agenda.

Contested Facts: Complainant alleges that the President's alleged actions violated Section 67.15(e) of the Sunshine Ordinance, without explaining further.

The Commission responds that President Marshall announced at the beginning of the September 22, 2010 meeting that the agenda was very full and that it might be necessary to change the order of the agenda during the meeting. Further, the Commission alleges that once it became clear that item 2b of the agenda was taking longer than anticipated, President Marshall announced that agenda item 5 would be taken out of order, so as to accommodate civilian witnesses that were to testify during a police officer disciplinary hearing listed under that agenda item. The Commission further alleges that, at the conclusion of item 5, the Commission returned to the regular agenda order to discuss item 2c, then took public comment on items 2a, 2b, and 2c.

QUESTIONS THAT MIGHT ASSIST IN DETERMINING FACTS:

- Was the public allowed to testify with regard to agenda item #2?
- Does Mr. Hartz dispute the facts alleged by the Commission in its response?

LEGAL ISSUES/LEGAL DETERMINATIONS:

- Were changes to the agenda announced by President Marshall "**at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known,**" as required by § 67.15(e)?
- If the facts alleged are true, was the agenda change a violation of § 67.15(e)?

CONCLUSION

THE TASK FORCE FINDS THE FOLLOWING FACTS TO BE TRUE:

THE TASK FORCE FINDS THE ALLEGED VIOLATIONS TO BE TRUE OR NOT TRUE.

**ATTACHED STATUTORY SECTIONS FROM CHAPTER 67 OF THE SAN
FRANCISCO ADMINISTRATIVE CODE (THE SUNSHINE ORDINANCE)
UNLESS OTHERWISE SPECIFIED**

Section 67.1 addresses Findings and Purpose

The Board of Supervisors and the People of the City and County of San Francisco find and declare:

- (a) Government's duty is to serve the public, reaching its decisions in full view of the public.
- (b) Elected officials, commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. The people do not cede to these entities the right to decide what the people should know about the operations of local government.
- (c) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New approaches to government constantly offer public officials additional ways to hide the making of public policy from the public. As government evolves, so must the laws designed to ensure that the process remains visible.

[. . .]
- (f) The people of San Francisco enact these amendments to assure that the people of the City remain in control of the government they have created.
- (g) Private entities and individuals and employees and officials of the City and County of San Francisco have rights to privacy that must be respected. However, when a person or entity is before a policy body or passive meeting body, that person, and the public, has the right to an open and public process.

RE: Hartz v. The Police Commission: *Complaint 10051*

Section 67.15 of Ordinance provides:

SEC. 67.15. PUBLIC TESTIMONY.

(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a policy body on items of interest to the public that are within policy body's subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by Section 67.7(e) of this article. However, in the case of a meeting of the Board of Supervisors, the agenda need not provide an opportunity for members of the public to address the Board on any item that has already been considered by a committee, composed exclusively of members of the Board, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the Board.

(b) Every agenda for special meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.

(c) A policy body may adopt reasonable regulations to ensure that the intent of subdivisions (a) and (b) are carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Each policy body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for up to three minutes. Time limits shall be applied uniformly to members of the public wishing to testify.

(d) A policy body shall **not abridge or prohibit public criticism** of the policy, procedures, programs or services of the City, or **of any other aspect of its proposals or activities, or of the acts or omissions of the body**, on the basis that the performance of one or more public employees is implicated, or **on any basis other than reasonable time constraints** adopted in regulations pursuant to subdivision (c) of this section.

(e) To facilitate public input, **any agenda changes or continuances shall be announced** by the presiding officer of a policy body **at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known** to such presiding officer.

Re: SOTF Complaint 10051

Dear Mr. Rustom,

I am responding to the above referenced complaint with respect to the September 22, 2010 meeting of the Police Commission. The agenda for this meeting was posted as required, actually more than 72 hours in advance, and proper notice of the meeting was given. The Commission took general public comment as the first item on the agenda.

The latest version of the Good Government Guide states that "Policy bodies are not required to consider agenda items in the order they appear on the agenda. But the presiding officer must announce sequencing changes at the beginning of the meeting or as soon as they are known." "Policy bodies may begin consideration of an agenda item and then continue consideration of the item to a later point in the meeting." (GGG IV. E. 1. page 121-122) (emphasis added)

At the beginning of the September 22 meeting, the presiding officer stated (paraphrasing) that the agenda was full and it may be necessary to move things around.

At the conclusion of agenda item 2b it became apparent that agenda item 2a had consumed more time than anticipated. As a result, the presiding officer announced that agenda item 5 would be taken next out of order and that the Commission would return to complete agenda item 2c. Agenda item 5 concerned an officer disciplinary trial to be argued before of the whole Commission. Several civilian witnesses had received Police Commission Notices to Appear and were present to testify.

October 7, 2010

SOTF

10051

page 2

At the conclusion of agenda item 5, the Commission returned to the regular agenda order, returning to item 2c, and then completing agenda item 2 by taking public comment on items 2a, 2b and 2c. Thereafter, the Commission followed the regular agenda order to the conclusion of the meeting.

I anticipate that this review of the events of the Police Commission's September 22 meeting addresses the issues raised in the above referenced complaint.

Please call if you have any questions.

Very truly yours

Re: Complaint 10051

Commissioners,

Attached you will find exhibit A, the agenda for the Police Commission meeting of September 22, 2010, and exhibit B, a listing of the meeting as actually conducted.

At the beginning of the meeting, the presiding officer, Commission President Joe Marshall made the following statement:

"Lot of items in closed session. Want to get to them as quickly as possible. So we may move things around a little bit. Just to let you know, what tonight's agenda looks like."

Agenda item number 1, public comment was completed. The commission then proceeded to cover agenda item number 2, sections a and b. The presiding officer then said the following:

"Lieut., I think we'll move the agenda now as we did go longer than anticipated. So we'll come back to 2c later on. Let's move them to item number 5."

The police commission then proceeded to vote on moving into closed session. The closed session lasted approximately 4 hours, returning to open session at 10:25 PM. The commission then proceeded to cover the remainder of the agenda in nine minutes, adjourning at 10:34 PM.

This change to the agenda was done solely at the direction of the presiding officer. There was no commission discussion, motion, vote, or public comment. I believe this to be a violation of section 67.15(e). That section states the following:

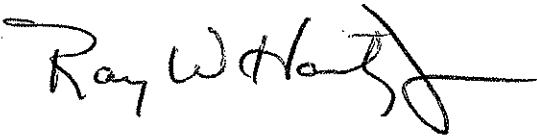

"To facilitate public input, any agenda and changes or continuances shall be announced by the presiding officer of a policy body at the beginning of the meeting, or as soon thereafter as the changes or continuance becomes known to such presiding officer."

I do not believe that a simple statement by the presiding officer, at the beginning of the meeting, is sufficient notification. Further, I do not believe that stopping in the middle of an agenda item, and simply rearranging the agenda is appropriate, under any rules of order for a public meeting.

I believe the handling of the agenda at this meeting was done solely for the convenience of the commission and with disregard to the effects such changes would have on the public. I exited the meeting, and the City Hall, with approximately 12 members of the public. I heard a number of negative comments regarding this matter, and personally spoke with four individuals who had intended to comment on items moved to the end of the agenda.

Whether unintended or intended, the negative effect is evident. This was not an appropriate, or well managed, handling of the agenda. If unintended, the negative impact on public comment is evident by the fact that I was the only member of the public to remain for the completion of the agenda. If intended, the result was the same and as stated above, resulting in a lack of public participation and comment, and the simple fact that the meeting was completed in nine minutes. While this may be convenient for the commission and the commissioners, it is not fair to the public!

Sincerely,

A handwritten signature in black ink that reads "Ray W. Hartz, Jr." with a stylized, cursive flourish at the end.
