Section 6. Setting Agendas. The Task Force Administrator, at the direction of the Chair, shall prepare the agenda for meetings. The agenda for all regular meetings shall contain an item during which Task Force members may request items for the Task Force to consider at future meetings. The Task Force Administrator, at the direction of the Chair, may also include multiple files to be considered as one item, namely the Consent Calendar, which consists of matters routine in nature and not likely to be subject to debate or inquiry by the Members or the public and which will typically be adopted in one motion, such as cases where both parties acknowledge specific violations have taken place and there is no dispute over substantive facts or when the Respondent pleads no contest.

Section 7. Action at a Meeting; Quorum and Required Vote. The presence of a majority of the Task Force members (six) shall constitute a quorum. The affirmative vote of a majority of the members of the Task Force (six) shall be required for the approval of all substantive matters. The Administrator shall read into the record each item removed from the Consent Calendar. If Consent Calendar items are removed, they will be discussed immediately after adoption of the balance of the Consent Calendar.
