Monitoring Meetings by the Committee

It is the intent that the Compliance and Amendments Committee monitoring Order of Determination from the SOTF to insure compliance on the issues referred and listed and not to rehear the complaints or discuss other issues.

Upon determining compliance the matter will be close and not subject to further hearings.

If the CAC determines that compliance has not been achieved the committee and cannot be achieved the CAC should avoid referring the matter back to the SOTF if possible and take one of the following action (I assume they will be authorized to act on behalf of the full SOTF) or referred the matter back to the SOTF with recommendation to take one of the following actions (under a consent agenda?):

- Referral to the Ethics Commission for enforcement action.
- Referral to the District Attorney and/or the Attorney General who may take whatever measures they deem necessary to insure compliance with the provisions of the Sunshine Ordinance.
- Referral to the Board of Supervisors and/or the Mayor for enforcement action.
- Statement that the SOTF has made their determination but are unable to enforce their ruling. Apologize that the SOTF cannot take any other action to enforce but Reference 67.35 (Enforcement Provision) regarding the ability to file a lawsuit with the Superior Court.
