To whom it may concern,

This is a complaint against Supervisor Dean Preston for failure to comply in a timely manner to my Oct. 14 request for a copy of his Prop G calendar for this year thus far.

His office provided me with responsive records yesterday, which I believe is not in compliance with City law.

If you have any questions regarding this complaint, do not hesitate to send them to me.

Please confirm receipt of this letter at your earliest convenience.

Michael Petrelis

Hi Michael,

Attached please find Supervisor Preston's Prop G calendar for January 1, 2022 through October 15, 2022; calendar items with an "FYI" prefix are events not attended by the Supervisor and are for tracking district events unless staff attends, which will be noted in the description.

This calendar is supplemented by his Microsoft Teams calendar. Legislative Aide Preston Kilgore keeps a separate calendar for his meetings, and his main calendar and Teams calendar are also attached hereto.

Best,

Jen

Attendees: - Bernadette Navarro-Simeon (Long Term Care Coordinating Council) - Ramona Davies (Long Term Care Coordinating Council) - Jacy Cohen (Long Term Care Coordinating Council) - Jesus Guillen (Long Term Care Coordinating Council) - Dean Preston (BOS) Melissa Hernandez (BOS) Issues discussed: A study has been completed on social isolation in San Francisco skilled nursing settings and includes recommendations from that report. We would like the opportunity to present this and have your support on the recommendations. Your district has few skilled nursing but there are many Residential Care Facilities for the Elderly (RCFEs) and Assisted Living (licensed as RCFEs). The findings from the skilled nursing settings are replicated and, perhaps, amplified in RCFEs. Isolation is more prominent in these settings due to lower staffing ratios, fewer regulations and oversight, and workforces often not fluent in languages of residents nor cultural values and practices. Vulnerable, frail residents have contributed to the wellbeing of our community during their lifetime. We support honoring them as we care about how well they thrive in their end of life journeys. Hi Kyle, Thanks so much for setting this up. Please have Supervisor Preston use this link to join us this evening: <https://quicklink.network/portal/Communicator.php?Token=GzEOndtDeIOCphT&assisted=true> A couple of notes about the link. If possible, please have the supervisor open it in the Chrome browser. It works on any device, as long as there's mic/camera access, and a strong internet connection. If possible, please have Mr. Preston join it around 7:00pm. That will give us sometime to work through any tech issues should they arise. The interview itself will start around 7:15pm and will last approximately 5 minutes. He'll be speaking with our anchor, Jessica Aguirre. It is possible that the interview may shift 5 minutes earlier depending on how the news day goes. I'll keep you posted if the timing changes. Let me know if you have any other questions!

Calendar: Supervisor Dean Preston

Created by: Jennifer Bolen

Description:

Our next Zoom meeting is March 2 (6:30 - 7:30 pm) and I would like to invite you, or your representative to it. One of the requested topics is to talk about/get an update on how city officials and the police are looking to handle the large groups of younger people hanging out on Haight and Ashbury. The concerns being their loudness, blocking the sidewalk and creating a lot of garbage. Overall, things seem to be getting worse. I really hope we can have a representative from your office to engage in such a discussion. Captain Chris Pedrini has accepted and will be in attendance. Thank you, and your time is always appreciated.

Description:

Dear Supervisor Preston and Kyle, I hope you are having a wonderful weekend and enjoying the great weather! We are looking forward to seeing Supervisor Preston at this coming weekend's Cherry Blossom Festival Opening Ceremony. We ask that he arrive about 12:20 (about 10 minutes before the start of the ceremony), he is welcome to come earlier if available. We would appreciate it if he could provide welcoming remarks up to 3 minutes in length. We will also be hosting a short tribute to our festival icon the late George Yamasaki Jr by unveiling a banner to name the stage after him in his memory. The program itself will be about 20 minutes long. We welcome the Supervisor to join in this ceremony as well. We recognize that his schedule is extremely busy and understand if it is not possible. We are also wondering if we could request a certificate of honor/recognition for George on behalf of the Supervisor that we could provide to George's son at the ceremony. Please let me know if you have any questions. Thank you very much! We appreciate your support and can't wait to officially welcome Supervisor Preston to the first in-person Cherry Blossom Festival! Take care, Kiyomi

Description:
Hello Legislative Aides, Next week is National Public Safety Telecommunicator's Week and I would like to invite you and your District Supervisor, on behalf of the Department of Emergency Management, to submit a thirty second video clip thanking our 911 Dispatchers for their work. We are editing a compilation of thank you clips for dispatchers as part of a package of content to share during National Dispatchers Week from April 10-16 and we would appreciate your participation! When recording your video, please adhere to the best practices listed below. Once your video is ready, please upload it to this Google Drive folder: Dispatcher Week 2022. If you experience technical difficulties recording or uploading your video, please feel free to contact me. **Please submit videos no later than April 11th.** Best practices for filming on a personal device- Record the video horizontally (landscape). You can use your phone or iPad, (or computer if needed).- Make sure you have plenty of light. You can use a desk lamp/reading lamp to help light your face. You want the source of light in front of you so your face is lit evenly.- Try not to have too many objects in the background that are visually distracting (such as objects that look like they are coming out of your head).- Center your head in the top middle of the frame, giving room to show the shoulders as well.- Do not wear clothing with a lot of patterns as that can be distracting.- Use something to stabilize your camera, such as a tripod, selfiestick, or leaning your phone against a set of books

Description:

THE EMPTY HOMES TAX: Housing for people or for profits? Thursday, May 12, 2022, 5:30 PM 7:00 PMSt. John the Evangelist Episcopal Church, 1661 15th StreetOver the last decade, the number of vacant units in San Francisco has skyrocketed, largely due to units being held off the market as either second homes or investment vehicles. They're in high density areas like SOMA, Downtown, and the Mission District, neighborhoods where the highest concentration of new units have been built has also caused mass gentrification. Vibrant working class communities of color have been pushed out, and more and more people find themselves without a home, while units sit empty. Join us for an in-person gathering to learn how faith communities and progressive political movements are joining forces to change this at the ballot this coming November. In person, at St. John the Evangelist, 1661 15th Street. This will be a bilingual event in English and Spanish, interpretation provided. With: Violeta Roman Mijares, Faith in Action; Shanti Singh, Democratic Socialists of America; John Avalos, Council of Community Housing Organizations; Supervisor Dean Preston, San Francisco Board of Supervisors

Assessor Joaquín Torres may (also unconfirmed) may speak in support as well. We have a Facebook event: bit.ly/japantownprideflag

12pm - 3pm Raise the Pride Flag in SF Japantown Peace Plaza

Where: Japantown Peace Plaza San Francisco

Calendar: Supervisor Dean Preston

Created by: prestonekilgore@gmail.com

Description:

On Saturday, June 4th, the Japantown Rainbow Coalition invites you to the VERY FIRST raising of the rainbow flag in Japantown Peace Plaza. EVER. Join the Japantown Rainbow Coalition for a day of programming, speakers, and performances right in the center of Japantown. Starting at 12PM, with emcee Kristi Yummykochi, join us for a performance by Jiten Taiko, words of wisdom from Amy Sueyoshi, and the raising of the progress pride flag at 2:30PM. And you can stop by the Japantown businesses before or after for lunch or dinner, shopping, learning about Japantown history, or check out the exhibit at the National Japanese American Historical Society! The flag will be flown in the plaza from June 4 to June 6 to celebrate Queer and Trans Asian Pacific Islander Week (QTAPI Week) and Pride month. The rainbow coalition has championed the raising of the rainbow flag to proudly proclaim our intersecting identities and show that people of LGBTQ+ identities don't just live in the Tenderloin, SoMA or the Castro, but also places like Japantown. San Francisco has long been known as an epicenter for LGBTQ+ organizing and celebration, especially during the month of June, Pride Month. The City has a rich history of LGBTQ+ activism and we hope to continue that tradition and highlight the hidden history of LGBTQ+ communities and people in Japantown that a model minority myth often conceals. For example, it was in 1954 that the Japantown YMCA hosted the very first convention of the Mattachine Society, one of the earliest gay liberation organizations. In fact, the YMCA holds the designation of being the fourth property on the West Coast listed on the National Register of Historic Places for LGBTQ significance. The Japantown Rainbow Coalition is a group of Japantown community members organizing to raise the Pride Flag. The group appreciates the support from the community organizations and local businesses and merchants and the project is sponsored by the San Francisco Chapter of the JACL with community support from the Berkeley Chapter of the Japanese American Citizens League, Omusubi, and the San Francisco Buddhist Church.

1pm - 3pm 1PM Japantown Rainbow Coalition VIP Reception, Staff: PK

Where: National Japanese American Historical Society, 1684 Post St, San Francisco, CA 94115, USA

Calendar: Supervisor Dean Preston

Created by: ksmeallie@gmail.com

Description:

The Japantown Rainbow Coalition cordially invites you and Supervisor Dean Preston to the reception for the Raising of the Pride Flag in S.F. Japantown on Saturday, June 4, 2022 following the conclusion of the flag raising program on the Peace Plaza. We wanted to extend this invitation to you to show our appreciation for Supervisor Preston's support of this project with some light refreshments after the event. I recall from our conversation at Songs for J-Town that you and the Supervisor switch out for afternoon and evening engagements, so I wasn't sure you would be along for this event as well, but, if you are, you're both more than welcome to stop in. The reception will take place at the National Japanese American Historical Society's Peace Gallery, located at 1684 Post St., across the street from the Peace Plaza and next to California Bank and Trust. The gallery is currently hosting "We are LGBTQ Nikkei," an exhibition of art by queer Japanese American artists, which was curated in parallel to the Flag Raising project. Given the limited space of the gallery, we would like to note we welcome you and the Supervisor, and a plus one, but cannot accommodate too many more attendees. Please let us know if you plan to attend, and let us know if you have any questions. Thank you again, we greatly appreciate your support.
