RE: Complaint No. 19112: Anonymous v. San Francisco Police Department, Chief William Scott, and Lt. R. Andrew Cox

BACKGROUND

On October 8, 2019, Complainant requested the following categories of documents from Respondents:

1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's *prospective/expected* calendar or schedule, with all expected events/items, from Oct 21 to Oct 28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2. REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats

and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3. REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

The chronology of Respondents' response is not entirely clear. It appears that, either on October 15 or 16, 2019, Respondents provided an initial response, and invoked their right to extend the time to respond to the immediate disclosure requests.¹

¹ In an October 23, 2019 letter, Respondents stated that "[t]he San Francisco Police Department (SFPD), Legal Division received your Public Records Act request on October 15, 2019." Later in that letter, Respondents state, "[o]n that same date SFPD informed you that your request was not simple, routine, or otherwise answerable, and it was considered a standard public records request that allows SFPD up to 10 days to respond." The record before the Task Force does not appear to include that response. However, an email chain that is in the record suggests that Respondents provided a response on October 16. It reads as follows, in relevant part:

 Thank you.
 Sincerely,
 Lieutenant R. Andrew Cox #287

(Emphasis added.) The document attached to this email does not appear to be in the record. Further, it is unclear from the record why, as asserted, Respondents did not receive the initial October 8 request until approximately one week later.

RE: Complaint No. 19112: Anonymous v. San Francisco Police Department, Chief William Scott, and Lt. R. Andrew Cox

On October 23, 2019, Respondents provided a written response as well as responsive documents. In the cover letter, Respondents informed Complainant that certain information was withheld on four grounds:

1. Personal information, pursuant to Government Code §6254(c);
2. Attendees who “fall under” Administrative Code §67.29-5(e), “including labor/employee groups and organizations, as well as members of the public who wished to remain anonymous;”
3. Pursuant to Administrative Code §67.29-5(e), the names of Department members when all attendees are in the official’s City department; and
4. As to responsive document for the time period of October 21 – 28, the documents were not being provided at that time pursuant to Administrative Code §67.29-5(a), but Respondents agreed to provide Complainant an update with respect to these documents by October 29, 2019.

Three of the four justifications come from Section 67.29-5, which was added to the Administrative Code in 1999, via Proposition G, and requires particular City officials to keep calendars that conform to the content requirements of the section.

Complainant objected to the scope of withholding and filed a petition with the Supervisor of Records. The central thrust of Complainant’s argument is that, merely because Proposition G does not *require* the recording of certain information in official calendars, that does not mean that it *permits* the withholding of public records (whether denominated “Proposition G” calendars or otherwise) that already happen to reflect that information.² In other words, Complainant’s position that the “exemptions” from the material required to be recorded in a Proposition G-required calendar do not operate as general exemptions to the requirement to produce those responsive records that exist (including where any such calendars regarding official business are maintained on a personal device).

Complainant asserts that this case is indistinguishable from Complaint No. 19047, which was heard by the Task Force at its October 2, 2019, meeting. However, Complaint No. 19047 raised certain issues regarding the production of metadata that are not raised by the present complaint. The summary of the respondents’ argument with respect to that matter focused solely on issues related to the format of production. The minutes reflect that the complainant in that case did “state[] that the [respondents] did not provide the Mayor’s non-Prop G or second calendar account under months later, and those non-Prop G calendars are public records,” but the Task Force’s finding of a violation states only generally that respondents “fail[ed] to provide records in a timely and/or complete manner, keep withholdings to a minimum, and justify the

² Complainant does not appear to take issue with Respondents’ withholding based on Government Code §6254(c).

withholding of records.” Thus, at least from the minutes, this finding could have rested on the failure to timely produce documents in the format required.

QUESTIONS THAT MIGHT ASSIST IN DETERMINING FACTS

- Did the Supervisor of Records issue a decision? If so, what was the result?
- Are Respondents relying on the minimum requirements of Proposition G calendars as a basis for withholding information that exist and would otherwise be facially responsive to Complainant’s requests? What is Complainant’s basis for alleging that such documents exist?
- Respondents contend that they did not receive Complainants’ October 8, 2019 request until, at the earliest, October 15, 2019. What accounts for this delay? What impact does this delay have on the Task Force’s determination of timeliness?

LEGAL ISSUES/LEGAL DETERMINATIONS

- Did Respondents violate the Sunshine Ordinance or the CPRA by failing to provide a timely and complete response to Complainant’s document requests?

CONCLUSION

THE TASK FORCE FINDS THE FOLLOWING FACTS TO BE TRUE:

THE TASK FORCE FINDS THE ALLEGED VIOLATIONS TO BE **TRUE OR NOT TRUE.**

CHAPTER 67, SAN FRANCISCO ADMINISTRATIVE CODE (SUNSHINE ORDINANCE)

**SEC. 67.21. PROCESS FOR GAINING ACCESS TO PUBLIC RECORDS;
ADMINISTRATIVE APPEALS**

(a) Every person having custody of any public record or public information, as defined herein, (hereinafter referred to as a custodian of a public record) shall, at normal times and during normal and reasonable hours of operation, without unreasonable delay, and without requiring an appointment, permit the public record, or any segregable portion of a record, to be inspected and examined by any person and shall furnish one copy thereof upon payment of a reasonable copying charge, not to exceed the lesser of the actual cost or ten cents per page.

(b) A custodian of a public record shall, as soon as possible and within ten days following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by fax, postal delivery, or e-mail. If the custodian believes the record or information requested is not a public record or is exempt, the custodian shall justify withholding any record by demonstrating, in writing as soon as possible and within ten days following receipt of a request, that the record in question is exempt under express provisions of this ordinance.

(c) A custodian of a public record shall assist a requester in identifying the existence, form, and nature of any records or information maintained by, available to, or in the custody of the custodian, whether or not the contents of those records are exempt from disclosure and shall, when requested to do so, provide in writing within seven days following receipt of a request, a statement as to the existence, quantity, form and nature of records relating to a particular subject or questions with enough specificity to enable a requester to identify records in order to make a request under (b). A custodian of any public record, when not in possession of the record requested, shall assist a requester in directing a request to the proper office or staff person.

(d) If the custodian refuses, fails to comply, or incompletely complies with a request described in (b), the person making the request may petition the supervisor of records for a determination whether the record requested is public. The supervisor of records shall inform the petitioner, as soon as possible and within 10 days, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination by the supervisor of records that the record is public, the supervisor of records shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the supervisor of records shall notify the district attorney or the attorney general who shall take whatever measures she or he deems necessary and appropriate to insure compliance with the provisions of this ordinance.

(e) If the custodian refuses, fails to comply, or incompletely complies with a request described in (b) above or if a petition is denied or not acted on by the supervisor of public records, the person making the request may petition the Sunshine Task Force for a determination whether the record requested is public. The Sunshine Task Force shall inform the petitioner, as soon as possible and within 2 days after its next meeting but in no case later than 45 days from

when a petition in writing is received, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination that the record is public, the Sunshine Task Force shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the Sunshine Task Force shall notify the district attorney or the attorney general who may take whatever measures she or he deems necessary to insure compliance with the provisions of this ordinance. The Board of Supervisors and the City Attorney's office shall provide sufficient staff and resources to allow the Sunshine Task Force to fulfill its duties under this provision. Where requested by the petition, the Sunshine Task Force may conduct a public hearing concerning the records request denial. An authorized representative of the custodian of the public records requested shall attend any hearing and explain the basis for its decision to withhold the records requested.

(f) The administrative remedy provided under this article shall in no way limit the availability of other administrative remedies provided to any person with respect to any officer or employee of any agency, executive office, department or board; nor shall the administrative remedy provided by this section in any way limit the availability of judicial remedies otherwise available to any person requesting a public record. If a custodian of a public record refuses or fails to comply with the request of any person for inspection or copy of a public record or with an administrative order under this section, the superior court shall have jurisdiction to order compliance.

(g) In any court proceeding pursuant to this article there shall be a presumption that the record sought is public, and the burden shall be upon the custodian to prove with specificity the exemption which applies.

(h) On at least an annual basis, and as otherwise requested by the Sunshine Ordinance Task Force, the supervisor of public records shall prepare a tally and report of every petition brought before it for access to records since the time of its last tally and report. The report shall at least identify for each petition the record or records sought, the custodian of those records, the ruling of the supervisor of public records, whether any ruling was overturned by a court and whether orders given to custodians of public records were followed. The report shall also summarize any court actions during that period regarding petitions the Supervisor has decided. At the request of the Sunshine Ordinance Task Force, the report shall also include copies of all rulings made by the supervisor of public records and all opinions issued.

(i) The San Francisco City Attorney's office shall act to protect and secure the rights of the people of San Francisco to access public information and public meetings and shall not act as legal counsel for any city employee or any person having custody of any public record for purposes of denying access to the public. The City Attorney may publish legal opinions in response to a request from any person as to whether a record or information is public. All communications with the City Attorney's Office with regard to this ordinance, including petitions, requests for opinion, and opinions shall be public records.

(j) Notwithstanding the provisions of this section, the City Attorney may defend the City or a City Employee in litigation under this ordinance that is actually filed in court to any extent required by the City Charter or California Law.

(k) Release of documentary public information, whether for inspection of the original or by providing a copy, shall be governed by the California Public Records Act (Government Code Section 6250 et seq.) in particulars not addressed by this ordinance and in accordance with the enhanced disclosure requirements provided in this ordinance.

(l) Inspection and copying of documentary public information stored in electronic form shall be made available to the person requesting the information in any form requested which is available to or easily generated by the department, its officers or employees, including disk, tape, printout or monitor at a charge no greater than the cost of the media on which it is duplicated. Inspection of documentary public information on a computer monitor need not be allowed where the information sought is necessarily and unseparably intertwined with information not subject to disclosure under this ordinance. Nothing in this section shall require a department to program or reprogram a computer to respond to a request for information or to release information where the release of that information would violate a licensing agreement or copyright law.

SEC. 67.26. WITHHOLDING KEPT TO A MINIMUM.

No record shall be withheld from disclosure in its entirety unless all information contained in it is exempt from disclosure under express provisions of the California Public Records Act or of some other statute. Information that is exempt from disclosure shall be masked, deleted or otherwise segregated in order that the nonexempt portion of a requested record may be released, and keyed by footnote or other clear reference to the appropriate justification for withholding required by Section 67.27 of this Article. This work shall be done personally by the attorney or other staff member conducting the exemption review. The work of responding to a public-records request and preparing documents for disclosure shall be considered part of the regular work duties of any City employee, and no fee shall be charged to the requester to cover the personnel costs of responding to a records request.

SEC. 67.27. JUSTIFICATION OF WITHHOLDING.

Any withholding of information shall be justified, in writing, as follows:

(a) A withholding under a specific permissive exemption in the California Public Records Act, or elsewhere, which permissive exemption is not forbidden to be asserted by this ordinance, shall cite that authority.

(b) A withholding on the basis that disclosure is prohibited by law shall cite the specific statutory authority in the Public Records Act or elsewhere.

(c) A withholding on the basis that disclosure would incur civil or criminal liability shall cite any specific statutory or case law, or any other public agency's litigation experience, supporting that position.

(d) When a record being requested contains information, most of which is exempt from disclosure under the California Public Records Act and this Article, the custodian shall inform the requester of the nature and extent of the nonexempt information and suggest alternative sources for the information requested, if available.

SEC. 67.29-5. CALENDARS OF CERTAIN OFFICIALS.

(a) The Mayor, City Attorney, Treasurer, Assessor-Recorder, District Attorney, Public Defender, Sheriff, every member of the Board of Supervisors, and every Department Head shall keep or cause to be kept a daily calendar wherein is recorded the time and place of each meeting or event attended by that official, either in person or by teleconference or other electronic means, with the exclusion of purely personal or social events at which no City business is discussed and that do not take place at City Offices or at the offices or residences of people who do substantial business with or are otherwise substantially financially affected by actions of the City. For meetings not otherwise publicly recorded, the calendar shall include a general statement of issues discussed. Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date.

(b) For meetings or events with ten or fewer attendees, the calendar shall also identify the individual(s) present and organization(s) represented at the meeting or event if known by the official, unless the official is aware that the information would reveal the identity of a confidential whistleblower, would interfere with an individual's right to petition government where the individual has sought and been assured confidentiality, would disclose the attendance of members or representatives of a labor organization at a meeting to discuss matters within the scope of representation, as that term is defined in California Government Code Section 3504, would reveal personnel information not subject to disclosure, or is otherwise exempt from disclosure under State and local law.

(c) At any meeting or event with ten or fewer attendees, officials subject to subsection (a) of this Section 67.29-5 shall attempt to identify names of attendees present, and the organizations they represent; provided that an official shall not require any attendees to identify themselves, unless the official is aware that those attendees are campaign consultants registered with the Ethics Commission under Campaign and Governmental Conduct Code Article I, Chapter 5; lobbyists registered with the Ethics Commission under Campaign and Governmental Conduct Code Article II, Chapter 1; permit consultants registered with the Ethics Commission under Campaign and Governmental Conduct Code Article III, Chapter 4; Developers of Major Projects, as defined in Campaign and Governmental Conduct Code Section 3.510, if the Major Project is discussed at the meeting or event; and employees or representatives of any entity that has received a grant from or entered a contract with any City department within the previous 12 months. The official has no duty to ascertain whether any attendees fall into these categories.

Within three business days after a meeting or event subject to this subsection (c), the official shall update the daily calendar to include the names of the attendees and organizations identified by or known to the official.

(d) For the purpose of calculating the total number of attendees at a meeting or event under subsections (b) and (c), an official shall not include himself or herself.

(e) The obligations imposed under subsections (b) and (c), and the obligations imposed upon members of the Board of Supervisors under subsection (a), shall not apply to meetings or events where City business is discussed only incidentally; to unplanned, casual conversations with residents; to campaign-related meetings, events, and appearances; or to meetings or events where all attendees are employees or officers in the official's City department, which for members of the Board of Supervisors shall mean that all attendees are members of the Board of Supervisors, legislative aides, or employees of the Office of the Clerk of the Board. Officials are not in violation of subsections (b) or (c), and members of the Board of Supervisors are not in violation of subsection (a), if they have made a good faith effort to comply with their obligations thereunder.

CALIFORNIA GOVERNMENT CODE (CPRA)

SEC. 6253.

(a) Public records are open to inspection at all times during the office hours of the state or local agency and every person has a right to inspect any public record, except as hereafter provided. Any reasonably segregable portion of a record shall be available for inspection by any person requesting the record after deletion of the portions that are exempted by law.

(b) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so.

(c) Each agency, upon a request for a copy of records, shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No notice shall specify a date that would result in an extension for more than 14 days. When the agency dispatches the determination, and if the agency determines that the request seeks disclosable public records, the agency shall state the estimated date and time when the records will be made available. As used in this section,

“unusual circumstances” means the following, but only to the extent reasonably necessary to the proper processing of the particular request:

- (1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.
 - (2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.
 - (3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.
 - (4) The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.
- (d) Nothing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The notification of denial of any request for records required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.
- (e) Except as otherwise prohibited by law, a state or local agency may adopt requirements for itself that allow for faster, more efficient, or greater access to records than prescribed by the minimum standards set forth in this chapter.
- (f) In addition to maintaining public records for public inspection during the office hours of the public agency, a public agency may comply with subdivision (a) by posting any public record on its Internet Web site and, in response to a request for a public record posted on the Internet Web site, directing a member of the public to the location on the Internet Web site where the public record is posted. However, if after the public agency directs a member of the public to the Internet Web site, the member of the public requesting the public record requests a copy of the public record due to an inability to access or reproduce the public record from the Internet Web site, the public agency shall promptly provide a copy of the public record pursuant to subdivision (b).

SEC. 6253.9.

(a) Unless otherwise prohibited by law, any agency that has information that constitutes an identifiable public record not exempt from disclosure pursuant to this chapter that is in an electronic format shall make that information available in an electronic format when requested by any person and, when applicable, shall comply with the following:

- (1) The agency shall make the information available in any electronic format in which it holds the information.

(2) Each agency shall provide a copy of an electronic record in the format requested if the requested format is one that has been used by the agency to create copies for its own use or for provision to other agencies. The cost of duplication shall be limited to the direct cost of producing a copy of a record in an electronic format.

(b) Notwithstanding paragraph (2) of subdivision (a), the requester shall bear the cost of producing a copy of the record, including the cost to construct a record, and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies:

(1) In order to comply with the provisions of subdivision (a), the public agency would be required to produce a copy of an electronic record and the record is one that is produced only at otherwiseregularly scheduled intervals.

(2) The request would require data compilation, extraction, or programming to produce the record.

(c) Nothing in this section shall be construed to require the public agency to reconstruct a record in an electronic format if the agency no longer has the record available in an electronic format.

(d) If the request is for information in other than electronic format, and the information also is in electronic format, the agency may inform the requester that the information is available in electronic format.

(e) Nothing in this section shall be construed to permit an agency to make information available only in an electronic format.

(f) Nothing in this section shall be construed to require the public agency to release an electronic record in the electronic form in which it is held by the agency if its release would jeopardize or compromise the security or integrity of the original record or of any proprietary software in which it is maintained.

From: Anonymous Person**10/08/2019** **Subject: California Public Records Act Request: Calendars and Meetings - Immediate Disclosure Request****Email**

SFPD,

**** Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the [MuckRock.com](https://www.muckrock.com) service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. ****

This is a new Immediate Disclosure Request under the San Francisco Sunshine Ordinance and the CPRA, made on October 8, 2019 re: your department head's calendars. This is also a 67.21(c) request for the statement of quantity, nature, and form (even if exempt!) for each of #1, 2, and 3, within 7 days without extension. For the quantity of #1, I would like the number of meetings, each of which is an item being requested.

All calendars, whether Prop G/67.29-5 or not, that your agency prepared, owned, used, or retained re: the public's business are public records (see SOTF 19047; Sup. of Records response of Sept. 6; and Good Government Guide).

All records must be provided in rolling fashion. If you use a web portal, you must make all records open without login or terms and conditions; or you may provide records as attachments.

Please read carefully the exact wording of my request as it is different than my prior ones. Please follow the Ordinance precisely as I am auditing your agency's public records regimen; as you are well aware, every violation of the Sunshine Ordinance will be appealed.

Please provide:

1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's

prospective/expected calendar or schedule, with all expected events/items, from Oct 21 to Oct 28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.).

You are welcome to virtually print/export

each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified

withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2. REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3. REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

Please provide only those copies of records available without any fees. If you determine certain records would require fees, please instead provide the required notice of which of those records are available and non-exempt for inspection in-person if we so choose.

I look forward to your immediate disclosure.

Sincerely,
Anonymous

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. Calendars/schedule records not mentioned in SFAC 67.29-5 (Prop G) are still public records

- Every writing about the conduct of public business is a public record. The moment SFPD created any records of the Chief's schedule or calendar, it was a public record that must be disclosed and minimally redacted using exemptions.
- SFAC 67.29-5 (Prop G) merely *demands* that certain minimum information be public. Information not mentioned in SFAC 67.29-5, must still be disclosed, unless explicitly exempted. Local law, like Prop G, cannot take away what the CPRA makes public.
- On Oct 23 and 29, only summaries of the Chief's schedule was provided instead of the full Outlook entries which have more info.
- **Citation to Prop G (SFAC 67.29-5) to withhold information is unlawful because SFAC 67.27 only allows the city to cite exemptions.**
- See SOTF 19047 Anonymous v. Breed - the Mayor initially withheld from me her non-Prop G Outlook calendars, and only provided summary entries, until we filed a complaint. You found a violation.

Chief Scott,

I am interested in building a relationship with the San Francisco Police Department. [REDACTED] currently have been very successful with the partnership I developed with the Los Angeles Police Department Police Officer Preparedness Program Cadets. We have developed a great partnership in hiring the cadets and helping them obtain there guard cards. We would like to do the same with San Francisco P.D. as well. [REDACTED] I would like to formally introduce you to Jared Charity who is our Director of Operations. His e mail address is [REDACTED] If possible can we set up a meeting with you for either this week or next week. I will be in town September 6th and hopefully we can get together and catch up over lunch or dinner and introduce you to our Executive

Prospective schedules/calendars must be disclosed, with minimum redactions if need be

- SFPD cites to 67.29-5(a) as exempting future calendars: "As for your request for the calendar for date range October 21 - 28, these records are not being provided per Admin Code 67.29-5(a). "Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date." The SFPD will provide you with an update by October 29."
- There is no authority to wait until the date passes. Whatever records exist at the time of the request must be provided, with minimal redaction.
- In SOTF 18075 Williams vs Gascon, you unanimously agreed with my position: "The SOTF opined that future schedule/calendars are public records and should be provided in a redacted format."

Request for Relief

Please: **move that Chief Scott and SFPD violated:**

1. SFAC 67.25 for failing to initially respond at all to an IDR within one business day, and incompletely responding by not providing the non-Prop G calendars
2. SFAC 67.26 for withholding in entirety Chief Scott's future calendars, instead of providing them with minimal redactions for exempt material
3. SFAC 67.27 for unlawfully citing to SFAC 67.29-5 as a justification for withholding non-Prop G calendars because 67.29-5 is not an exemption to disclosure.

Your DCA states that using SOTF 19047 as direct precedent for requiring disclosure of "non-Prop G" calendars is difficult because your Motion/Order did not include a specific reasoning; I request that your motion in this case include reasoning.

We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. Do NOT physically print and re-scan records

lb). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). Do NOT physically print and re-scan records.

2.REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3.REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly)."

On October 16, the SFPD informed you that your request was not simple, routine, or otherwise readily answerable and it was considered a standard public records request that allows SFPD up to 10 days to respond.

On October 23, the SFPD provided you with responsive records and informed you that certain information has been withheld.

On the same date, the SFPD received your response regarding the documents we provided to you.

As for your request for the calendar for date range October 21 – 28, responsive records are included in this correspondence. Please note certain information has been withheld in these materials under the following:

Government Code Sec. 6254(c) – Personal information

Government Code Sec. 6254(f) – Law enforcement sensitive information

Admin Code 67.29-5(b) – attendees who fall under this section have been withheld including labor/employee groups and organizations, as well as members of the public who wished to remain anonymous.

Admin Code 67.29-5(e) – names of Department members are not provided when all attendees at the meeting are in the official's City department.

Thank you for your courtesy in this regard.

Sincerely,

SOTF 19112 - Anonymous vs SFPD, Chief Scott, Lt. Cox
Petitioner's Summary as of Dec. 10, for presentation Dec. 17

Violations occurring prior to filing of complaint

- SFAC 67.21 - General untimeliness/incompleteness - SFPD admits untimeliness in their complaint response. No non-Prop G calendars provided. No future calendars provided.
- SFAC 67.26 - Non-Prop G and future calendars withheld in full instead of provided in redacted form. This is not minimal withholding.
- SFAC 67.27 - Failing to provide valid justification. SFPD used 67.29-5(a) to withhold future calendar entries. It also used 67.29-5(b,e) as exemptions. However 67.29-5 (Prop G) is merely a positive, additional duty imposed on department heads, not an exemption to the CPRA (See your DCA memo.) Prop G does not and cannot create new exemptions, it merely forces *additional, minimum* requirements on Calendars.

NOTE: Unlike the Mayor in SOTF 19103, SFPD did not use GC 6254(f) (which, while I disagree with the legal validity to exempt an entire calendar, is in fact a permitted exemption in SF) to exempt entirety of future calendars.

Violations in the same request, after filing complaint:

- After the complaint, SFPD in response to the complaint provided certain non-Prop G calendars, and changed their mind on what exemptions apply, including with future calendars. They claim their earlier response was a “miscommunication” but they clearly set out different justifications in that response than they do now. Regardless, the prior allegations are and were true as of the filing of the complaint.
- SFAC 67.26 - In the new disclosures they have made numerous impermissible redactions, engaging in non-minimal withholding. I have specified 17 examples in my supplementary letter of Nov 28.
- SFAC 67.26 - Future calendar still deemed entirely exempt instead of in redacted form.

Letter for entry into files 19098, 19112, 19124, 19128, and 19141.

Thanks for taking my call Ms. Leger. Here's a letter to clarify.
What remains is:

- 19112 - Chief's calendars (sent to the full Task Force)
- 19098 - emails and digital communications (Dec 2019 committee hearing continued by Respondent)
- 19128 - Bryan Carmody forensics communications (pending committee)
- 19141 - failure to respond in any way to 2 IDRs (pending notice to Respondents)

As discussed, while it would be helpful to hear 19098 and 19128 together (for the convenience of SFPD since I believe Sgt. Andraychak is the contact for both) at the next committee, the legal issues in the 4 complaints are unrelated to each other so they can't really be combined without causing confusion.

After reviewing my records **I am withdrawing SOTF 19124**, but I shall file a new complaint later on for the remainder of SB 1421 police misconduct records.

ON THE USE OF EMAIL VS PORTAL

SOTF Complaint Committee asked why I don't want to use Respondents' public records portal system "GovQA." Note that I take no position on whether or not private entity GovQA's practices comport with the law, only on whether or not Respondents can force me to use the portal. On a practical note, email is much easier for me to use with the docketing system I use for records requests (MuckRock.com). I have a unique email address for each request so everything is automatically tracked and logged. Respondents' must accept emailed requests and not make GovQA the only way to get records (emphasis and footnotes mine):

- SFAC 67.21(b) states: "A custodian of a public record shall, as soon as possible and within ten days following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by fax, postal delivery, or **e-mail**. ..."
- At the July 25, 2017 meeting of a Sunshine Ordinance Task Force committee hearing specifically about SFPD's use of GovQA, the SFPD represented that the public may still make requests by email. "Sgt. Youngblood stated that the public is still able to submit public records request via **email**, phone and U.S. mail but all requests are entered into the tracking system and responded to as requested by the requester."
[\[https://sfgov.org/sunshine/sites/default/files/ITAdHoc072517_minutes.pdf\]](https://sfgov.org/sunshine/sites/default/files/ITAdHoc072517_minutes.pdf)
- SFPD's public records website¹ states (Exhibit A): "Members of the public may still make requests using U.S. mail, facsimile, **email** and by phone by using the request form² (PDF). Those requests will be manually entered and tracked in the public portal by a member of the Legal staff." However, their form (Exhibit B) provides a postal and fax address, but **no email address**. I also cannot be required to use any particular form.³

³ "The California Public Records Act plainly does not require a written request." *Los Angeles Times v. Alameda Corridor Transportation Authority*, 88 Cal.App.4th 1381, 1392 (2d Dist. 2001). Since requests are not required to be in writing at all, they also cannot be required to be written in a specific way or form.

- If GovQA imposes any terms/conditions, I cannot be required to use GovQA even under the CPRA. “As a matter of first impression in California, we conclude that end user restrictions are incompatible with the purposes and operation of the CPRA.” *County of Santa Clara v. Superior Court*, 170 Cal.App.4th 1301, 1334 (Cal. Ct. App. 2009, discussing an agency purporting to impose end user restrictions related to copyright on their public records)
- SFPD cannot make a private entity the sole conduit for records and then not provide them itself (Gov Code 6270(a)).

v.

Chief William Scott, Lt. R. Andrew Cox,
San Francisco Police Department

Supplement #1

Nov. 28, 2019

SOTF No.

19112

SUPPLEMENT #1 TO COMPLAINT

On Oct 23, I alleged Respondents violated SFAC 67.21, 67.26, and 67.27 in failing to respond correctly to an Oct. 8 IDR for Chief Scott's calendar records. SOTF noticed Respondents on or around Oct. 30, and on Nov. 5, Respondents responded to SOTF. Due to further disclosures by the Respondent, I further supplement my complaint below.

AMENDED ALLEGATIONS

This supplements, and does not replace, allegations in the Oct. 23 complaint.

A. All allegations re: failure to provide future calendar dates are maintained. I continue to dispute all blanket exemptions of meetings in the future. Future meetings were originally withheld using Admin Code 67.29-5(a), which is not an exemption at all. (SFAC 67.26, 67.27). If a calendar exists at the time of a request, it is a public record, and needs to be exempt in whole or in part under a CPRA mandatory or permissive provision. Remember the Sunshine Ordinance cannot create additional exemptions, it can only limit those of the CPRA.

B. Respondent admits a timeliness violation in paragraph 2 of their Nov. 5 response to the Task Force: "The SFPD takes responsibility for not providing a response to the requestor within the required time frame." The Task Force should find a timeliness violation without further argument.

C. In response to my complaint, Respondents provided in redacted form the non-Prop G calendars previously withheld in their entirety. Respondent claims a misunderstanding, but my initial request was clear: both Prop G and non-Prop G calendars were demanded, and it made specific reference to SOTF 19047 and the Sup. of Records letter of Sept. 6 regarding non-Prop G calendars. The non-Prop G (Outlook) calendar entries were previously withheld in their entirety, and were clearly public with only specific redactions, thus Respondents violated SFAC 67.26 for non-minimal withholding and/or SFAC 67.21 for providing an incomplete response. *See SOTF 19047, and Sup. of Records letter of Sept 6.*

D. In addition, they have also (after the filing of the complaint) provided lists of justifications (with clear reference to most, but not all, redactions). The following are examples of improper redactions or withholdings, in most cases where the law cited does not actually exempt the information withheld (SFAC 67.26/67.27), which should all be determined public parts of records and ordered disclosed. Furthermore, if you find that the information is exempt BUT Respondents used a false justification, that would still be a SFAC 67.26/67.27 violation, but you would not need to order it disclosed.

1. Once formerly-future dates had passed, entries were withheld/redacted using Admin Code 67.29-5(b) and Admin Code 67.29-5(e), which are not exemptions at all. Whatever records are being withheld under these must be produced.

Page numbers below refer to [linked] Nov. 5 production entitled "P9438 - responsive 3.pdf". Purported exemption reasons are taken from p. 1, of that document.

2. Pg. 39-41 - GC6254(f) - these redactions are completely wrong. I have received a copy of a similar record from the Mayor's Office/Sean Elsbernd as well, with far fewer redactions. On that basis, I assert that a portion of this redacted record is unlawfully withheld. I suspect a large portion of the redacted portion of record looks like **Exhibit A**, which is an excerpt from Elsbernd's similar, public record.
3. pp.12-13, GC6254(c) - Sept 30, 2019 - 3:30pm - names of employees at RSA and SF Travel
4. Pg. 17 - GC6254(c) has no relevance to this redaction mark
5. Pg. 18, 19 - GC6254(c) cannot exempt Chief Scott's government email address
6. Pg. 25 - GC6254(f) - how is the title of this meeting a security procedure, intelligence or investigation information? "Law enforcement sensitive" is not the actual exemption in the law.
7. Pg. 27 - GC6254(c) and 6254(f) - there are multiple redactions on this page. Which redaction has which justification? Also, I challenge the redactions - this is a business trying to sell or work with SFPD on something, not a personal issue - it should be released.
8. Pg. 36-37 - GC6254(c) and 6254(f) - there are multiple redactions on this page. Which redaction has which justification?
9. Pg. 36 - 9am redacted without any justification
10. Pg. 57 - community barbeque information redacted as 6254(f) law enforcement sensitive. Is this a security procedure, investigation, or intelligence information?
11. Pg. 63-71 - all redactions challenged. Names and email addresses of government employees are not secret. Names of businesses and employees doing business with the city are not secret. Descriptions of Fleet Week are not secret.
12. Pg. 78-79 - GC6254(c), GC6254(f), PC 832.7. there are multiple redactions on this page. Which redaction has which justification? All redactions challenged. Various email bodies are inside this meeting entry, all government employee names/email addresses, and the topics of discussion should be unredacted.
13. Pg. 94-96 - GC6254(c) and 6254(f) - there are multiple redactions on this page. Which redaction has which justification? Regardless, Govt email addresses should be provided for AGZoneMeeting and Genesis Coronado. Govt office phone number for Coronado must also be provided. The full Agenda of this meeting between public officials should also be provided - 2 lines were redacted.

14. Pg. 102 - GC6254(c) - this is a public official (Commissioner Taylor) apparently using their personal email address for government business. See Govt Code 6254.3(b)(1) for special provisions re: disclosure of such email address.
15. Pg. 113 - Individual record entries for each of the three 10am meetings were withheld without justification. If these records were deleted by SFPD after I made my request but before they produced records for me, we will further allege an incomplete response, which can no longer be cured. Whether Chief Scott participated in a meeting is irrelevant to whether a public record exists. The record clearly exists since it is on his summary view and must be disclosed.
16. Pg. 118 - this 4pm meeting has no justifications for any redactions. All the redactions are unlawful and must be disclosed.
17. Pg. 124 - Individual record entries for each of the 10am, 1pm, and 3pm meetings were withheld without justification. If these records were deleted by SFPD after I made my request but before they produced records for me, we will further allege an incomplete response, which can no longer be cured. Whether Chief Scott participated in a meeting is irrelevant to whether a public record exists. The record clearly exists since it is on his summary view and must be disclosed.

PROPOSED COMPROMISE

I will withdraw¹ the allegation of 67.21 violation of this complaint 19112, if Respondent Chief Scott agrees in a letter signed by him, to myself and the SOTF, and copied to the Police Commission, published² in the public record, on behalf of himself and the SFPD that:

- (1) all of Scott's and SFPD's calendar records, for dates in the future and/or past, whether Prop G (SFAC 67.29-5) or non-Prop G, are public records and must be disclosed if such records exist at the time of a records request, except for redactions for explicitly exempt information, and
- (2) disclosure of Scott's Prop G (SFAC 67.29-5) calendars cannot be delayed for 3 business days until after the date of the calendar entry, *if such records already exist at the time of a records request.*

The letter must be from and signed by Chief Scott himself as it is his calendars at issue. Unfortunately, the 67.26/67.27 allegations remain because some of the records produced have been redacted using exemptions that do not apply to the information redacted (see Part D above). However, if the above letter is provided and Respondents fix the redactions in Part D to my satisfaction, I can withdraw the entire complaint.

Respectfully submitted,

This is a follow up to request number P009438-101619:

No this is a completely new file. SFPD is not giving out non-Prop G calendar records. 19098 is about emails.

I am happy to make a phone call to straighten out all the various appeals if that would help.

Sincerely,
Anonymous

(Not related to metadata)

SFPD is withholding calendar entries under Prop G, but Prop G simply cannot exempt any records that already exist but don't fall under Prop G.

SOTF already held in 19047 Anonymous v Mayor London Breed that this is unlawful.

(Please consult the Supervisor of Records' petition response of Sept. 6, and the SOTF ruling against the Mayor in SOTF 19047 Anonymous v Mayor London Breed, et al. regarding these issues.).

Attached is the request, response, responsive records, and the minutes for SOTF 19047 Oct. 2.

Sec 67.29-5 does not exempt any records that are owned, retained, prepared, or used, by the agency.

SFPD has no legal authority to delay production of any record, even a Prop G calendar, for any time.

All calendar records owned, retained, prepared, or used by the agency must be disclosed, unless exempt.

67.29-5 is not even written as an exemption section - only the exemptions in the CPRA can even apply, the Sunshine Ordinance can only ban exemptions it is not even allowed to create new exemptions.

I want all responsive records, including all Prop G (future or past) and all non-Prop G calendars, whether on government or personal property (City of San Jose v Superior Court), for my request turned over immediately as public records, except with specific redactions and justifications.

The format/metadata of these records is not currently at issue in this petition.

I incorporate by reference all arguments I made in case 19047

Subject: California Public Records Act Request: Calendars and Meetings - Immediate Disclosure Request
SFPD,

** Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the MuckRock.com service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. **

This is a new Immediate Disclosure Request under the San Francisco Sunshine Ordinance and the CPRA, made on October 8, 2019 re: your department head's calendars. This is also a 67.21(c) request for the statement of quantity, nature, and form (even if exempt!) for each of #1, 2, and 3, within 7 days without extension. For the quantity of #1, I would like the number of meetings, each of which is an item being requested.

All calendars, whether Prop G/67.29-5 or not, that your agency prepared, owned, used, or retained re: the public's business are public records (see SOTF 19047; Sup. of Records response of Sept. 6; and Good Government Guide).

All records must be provided in rolling fashion. If you use a web portal, you must make all records open without login or terms and conditions; or you may provide records as attachments.

Please read carefully the exact wording of my request as it is different than my prior ones. Please follow the Ordinance precisely as I am auditing your agency's public records regimen; as you are well aware, every violation of the Sunshine Ordinance will be appealed.

Please provide:

1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's *prospective/expected* calendar or schedule, with all expected events/items, from Oct 21 to Oct 28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2. REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and

only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3. REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

Please provide only those copies of records available without any fees. If you determine certain records would require fees, please instead provide the required notice of which of those records are available and non-exempt for inspection in-person if we so choose.

I look forward to your immediate disclosure.

Sincerely,
Anonymous

This is a follow up to request number P009438-101619:

REF# SFPD P009438-101619 - NEW SFAC 67.21(e) Complaint/Petition

SOTF,

**** Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the MuckRock.com service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. ****

Complainant: Anonymous (81412-71801448@requests.muckrock.com)
Respondents: Police Department, Chief of Police William Scott, Lt. R. Andrew Cox #287
Allegations: SFAC 67.21, 67.26, 67.27

(Not related to metadata)

SFPD is withholding calendar entries under Prop G, but Prop G simply cannot exempt any records that already exist but don't fall under Prop G.

SOTF already held in 19047 Anonymous v Mayor London Breed that this is unlawful.

(Please consult the Supervisor of Records' petition response of Sept. 6, and the SOTF ruling against the Mayor in SOTF 19047 Anonymous v Mayor London Breed, et al. regarding these issues.).

Attached is the request, response, responsive records, and the minutes for SOTF 19047 Oct. 2.

Sec 67.29-5 does not exempt any records that are owned, retained, prepared, or used, by the agency. SFPD has no legal authority to delay production of any record, even a Prop G calendar, for any time. All calendar records owned, retained, prepared, or used by the agency must be disclosed, unless exempt. 67.29-5 is not even written as an exemption section - only the exemptions in the CPRA can even apply, the Sunshine Ordinance can only ban exemptions it is not even allowed to create new exemptions.

I want all responsive records, including all Prop G (future or past) and all non-Prop G calendars, whether on government or personal property (City of San Jose v Superior Court), for my request turned over immediately as public records, except with specific redactions and justifications.

The format/metadata of these records is not currently at issue in this petition.

I incorporate by reference all arguments I made in case 19047
(https://sfgov.org/sunshine/sites/default/files/sotf_100219_item7.pdf).

Subject: California Public Records Act Request: Calendars and Meetings - Immediate Disclosure Request
SFPD,

**** Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the MuckRock.com service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. ****

This is a new Immediate Disclosure Request under the San Francisco Sunshine Ordinance and the CPRA, made on October 8, 2019 re: your department head's calendars. This is also a 67.21(c) request for the statement of quantity, nature, and form (even if exempt!) for each of #1, 2, and 3, within 7 days without extension. For the quantity of #1, I would like the number of meetings, each of which is an item being requested.

All calendars, whether Prop G/67.29-5 or not, that your agency prepared, owned, used, or retained re: the public's business are public records (see SOTF 19047; Sup. of Records response of Sept. 6; and Good Government Guide).

All records must be provided in rolling fashion. If you use a web portal, you must make all records open without login or terms and conditions; or you may provide records as attachments.

Please read carefully the exact wording of my request as it is different than my prior ones. Please follow the Ordinance precisely as I am auditing your agency's public records regimen; as you are well aware, every violation of the Sunshine Ordinance will be appealed.

Please provide:

1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's **prospective/expected** calendar or schedule, with all expected events/items, from Oct 21 to Oct 28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head,

whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). Do NOT physically print and re-scan records.

2. REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3. REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

Please provide only those copies of records available without any fees. If you determine certain records would require fees, please instead provide the required notice of which of those records are available and non-exempt for inspection in-person if we so choose.

I look forward to your immediate disclosure.

Sincerely,
Anonymous

Re: Complaint No. 19112 - filed by Anonymous against Chief William Scott and Lt. R. Andrew Cox and the San Francisco Police Department

Dear Sunshine Ordinance Task Force:

The San Francisco Police Department (SFPD) is in receipt of the Complaint filed by Anonymous with the Sunshine Ordinance Task Force (SOTF) alleging that SFPD violated Administrative Code (Sunshine Ordinance), Sections 67.21, 67.26, 67.27, by failing to respond to an Immediate Disclosure Request in a timely and/or complete manner, failing to respond to a public records request in a timely and/or complete manner, failing to justify withholding of records and failing to maintain a Proposition G calendar.

The SFPD takes responsibility for not providing a response to the requestor within the required time frame. The October 8, 2019 Public Records request was submitted to the Department via email to an email account that is not used by the Department for public records requests. The Department has a process for public records requests. The Unit that monitors that account forwarded the request to the appropriate division on October 15, 2019. The request was made as an Immediate Disclosure request. The immediate disclosure process is for requests that are "simple, routine or otherwise readily answerable." Please see San Francisco Administrative Code section 67.25(a). This request was not simple, routine or otherwise readily available. On October 16, 2019 we acknowledged that the request was received on October 15, 2019 and informed the requestor that the 10 day maximum deadline to respond applies. Please refer to California Government Code Section 6253(c).

On October 23, 2019 and October 29, 2019 the SFPD provided the requestor with responsive records and included specific justifications as to why certain information was not disclosed in our response letters. On October 30, 2019, we reviewed the basis for the complaint and determined there was a miscommunication. The SFPD supplemented its production on Nov 5, 2019 and provided additional information. The SFPD has withheld certain information based on Cal. Govt. Sec. 6254(f) and Evidence Code 1040 as the information presents a security risk for the Chief of Police. Furthermore, redactions have also been made in these materials of personal information on the basis of privacy, pursuant to Section 6254(c) of the Public Records Act (California Government Code sec. 6254(c)) and Article I, sec. 1 of the California Constitution because disclosure of this information would constitute an unwarranted invasion of privacy and Penal Code Sec. 832.7 (Peace Officer personnel records).

The SFPD submits the following supporting documents to the Sunshine Ordinance Taskforce for your consideration:

- 1) SFPD letter, request is not considered an Immediate Disclosure Request, dated October 16, 2019
- 2) SFPD response letter and responsive materials, dated October 23, 2019
- 3) SFPD response letter and responsive materials, dated October 29, 2019
- 4) SFPD supplemental response and responsive materials, dated November 5, 2019

Thank you for your courtesy in this regard.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'A' followed by a smaller 'C' and 'O'.

RE: Public Records Request, dated October 8, 2019, Reference # P009438-101619

Dear Anonymous:

The San Francisco Police Department (SFPD), Legal Division received your Public Records Act request on October 15, 2019.

You requested, * * "Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the MuckRock.com service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. * *

This is a new Immediate Disclosure Request under the San Francisco Sunshine Ordinance and the CPRA, made on October 8, 2019 re: your department head's calendars.

This is also a 67.21 (c) request for the statement of quantity, nature, and form (even if exempt!) for each of #1, 2, and 3, within 7 days without extension. For the quantity of #1, I would like the number of meetings, each of which is an item being requested.

All calendars, whether Prop G/67.29-5 or not that your agency prepared, owned, used, or retained re: the public's business are public records (see SOTF 19047; Sup. of Records response of Sept. 6; and Good Government Guide).

All records must be provided in rolling fashion. If you use a web portal, you must make all records open without login or terms and conditions; or you may provide records as attachments.

Please read carefully the exact wording of my request as it is different than my prior ones. Please follow the Ordinance precisely as I am auditing your agency's public records regimen; as you are well aware, every violation of the Sunshine Ordinance will be appealed.

Please provide:

- 1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's *prospective/expected* calendar or schedule, with all expected events/items, from Oct 21 to Oct

28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a dial y, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2.REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3.REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly)."

On the same date, SFPD informed you that your request was not simple, routine, or otherwise readily answerable and it was considered a standard public records request that allows SFPD up to 10 days to respond.

Responsive records are included in this correspondence. Please note that certain information has been withheld in these materials under the following:

Govt. Code Sec. 6254(c) – personal information on the basis of privacy.

Admin Code 67.29-5(b) – attendees who fall under this section have been withheld including labor/employee groups and organizations, as well as members of the public who wished to remain anonymous.

Per Admin Code 67.29-5(e) – names of Department members are not provided when all attendees at the meeting are in the official's City department.

As for your request for the calendar for date range October 21 – 28, these records are not being provided per Admin Code 67.29-5(a). "Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date." The SFPD will provide you with an update by October 29.

Thank you for your courtesy in this regard.

Sincerely,

Lt. R. Andrew Cox #287

7. **File No. 19047:** Complaint filed by Anonymous against Mayor London Breed, Hank Heckel and the Office of the Mayor for allegedly violating Administrative Code, (Sunshine Ordinance) Sections 67.21 and 67.26 and 67.27 and Government Code (CPRA) 6253.9, 6253, and 6255, by failing to respond to a request for public records in a timely and/or complete manner.

Anonymous (Petitioner) provided a summary of the complaint and requested the Committee to find a violation. Anonymous provided an overview of the submitted presentation. Anonymous stated that the Office of the Mayor refused to provide documents in the requested format and metadata, objected to the redactions to the calendar and stated that the ICS version of the calendar was not provided. Anonymous stated that the Office of the Mayor did not provide the Mayor's non-Prop G or 2nd calendar account until months later, and those non-Prop G calendars are public records.

Hank Heckel (Mayor's Office) and Michael Makstman (Chief Information Security Officer) (Respondent), provided a summary of the department's position. Mr. Heckel referenced California Government Code, Sections 6252.9(f) and 6254.19, and Sunshine Ordinance, Section 67.21(l). Mr. Heckel stated that the format requested is not easily generated and would also create a security risk. Mr. Makstman provided information regard metadata and possible security risks.

Deputy City Attorney Peder Thoreen provided information and responded to questions from the SOTF.

A question and answer period occurred. The parties were provided an opportunity for rebuttals.

Action: Moved by Member Yankee, seconded by Member Cate, to find that Mayor London Breed, Hank Heckel and the Office of the Mayor violated Administrative Code (Sunshine Ordinance), Sections 67.21, 67.26 and 67.27, by failing to provide records in a timely and/or complete manner, keep withholdings to a minimum, and justify the withholding of records.

1a) IMMEDIATE DISCLOSURE: an electronic copy of the department head's *prospective/expected* calendar or schedule, with all expected events/items, from Oct 21 to Oct

28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items; individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items; individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2.REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist/tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3.REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business); or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

Please provide only those copies of records available without any fees. If you determine certain

records would require fees, please instead provide the required notice of which of those records are available and non-exempt for inspection in-person if we so choose."

The immediate disclosure process is for requests that are "simple, routine or otherwise readily answerable." Please see San Francisco Administrative Code section 67.25(a). Your request is not simple or routine. The process of attempting to locate responsive records will take SFPD a significant amount of time, and is not a true immediate disclosure request. The maximum deadline for responding to a request applies. The Department is looking into your request, and we will provide you with a response within 10 calendar days but no later than by October 25, 2019. Please refer to California Government Code Section 6253(c).

Thank you for your courtesy in this regard.

RE: Public Records Request, dated October 8, 2019, Reference # P009438-101619

Dear Anonymous:

The San Francisco Police Department (SFPD), Legal Division received your Public Records Act request on October 15, 2019.

You requested, * * *Note that all of your responses (including disclosed records) may be automatically and instantly available to the public on the MuckRock.com service used to issue this request (though I am not a MuckRock representative). Redact your responses correctly - once you send them to us there is no going back. * *

This is a new Immediate Disclosure Request under the San Francisco Sunshine Ordinance and the CPRA, made on October 8, 2019 re: your department head's calendars.

This is also a 67.21 (c) request for the statement of quantity, nature, and form (even if exempt!) for each of #1, 2, and 3, within 7 days without extension. For the quantity of #1, I would like the number of meetings, each of which is an item being requested.

All calendars, whether Prop G/67.29-5 or not that your agency prepared, owned, used, or retained re: the public's business are public records (see SOTF 19047; Sup. of Records response of Sept. 6; and Good Government Guide).

All records must be provided in rolling fashion. If you use a web portal, you must make all records open without login or terms and conditions; or you may provide records as attachments.

Please read carefully the exact wording of my request as it is different than my prior ones. Please follow the Ordinance precisely as I am auditing your agency's public records regimen; as you are well aware, every violation of the Sunshine Ordinance will be appealed.

Please provide:

- 1a). IMMEDIATE DISCLOSURE: an electronic copy of the department head's *prospective/expected* calendar or schedule, with all expected events/items, from Oct 21 to Oct

28, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

1b). IMMEDIATE DISCLOSURE: an electronic copy of the department head's calendar or schedule, with all events/items, from Sep 30 to Oct 7, 2019 (inclusive). Calendar items must include (but are not limited to): the exact start and end time of the meeting, the location, the title, all invitees and whether they accepted or not, attachments, inline images, if they exist in the record. We are specifically requesting ALL calendar/scheduling items, individually, for the department head, whether the department head themselves possesses them or their staff, whether they are labeled "Prop G" or not, and whether they are on a computer or in physical form (such as a diary, a physical calendar on a wall, etc.). You are welcome to virtually print/export each item (not the summary view) directly to .PDF form in Outlook and redact them. Do not cutoff information like long text that does not fit on the screen - that would be unjustified withholding. In order to ensure immediacy of disclosure, in this and only this request, .ics format and headers are NOT specifically requested (though you are welcome to provide them if it can be provided immediately). Do NOT physically print and re-scan records.

2. REGULAR DISCLOSURE: If the department head or any of the department head's staff uses any invitation/guestlist tracking systems on behalf of the department head (such as Outlook's invite mechanism OR regular emails), those items are included within the scope of this request #2, for the date range in #1. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly).

3. REGULAR DISCLOSURE: Furthermore, I request that a City of San Jose v Superior Court (2017) search be performed of the department head, their senior-most deputy, their chief of staff (or equivalent, and deputy chiefs), and all personal/secretarial/administrative assistants, such that each such official either provide all records responsive to #1 that are present on their personal accounts/devices/property (solely to the extent the record or portion thereof relates to the public's business), or provide a declaration/affidavit that no such records exist. All such affidavits are also requested. In order to ensure rapid disclosure, in this and only this request, particular formats and headers are NOT specifically requested (though you are welcome to provide them if it can be provided rapidly)."

On the same date, SFPD informed you that your request was not simple, routine, or otherwise readily answerable and it was considered a standard public records request that allows SFPD up to 10 days to respond.

Responsive records are included in this correspondence. Please note that certain information has been withheld in these materials under the following:

Govt. Code Sec. 6254(c) – personal information on the basis of privacy.

Admin Code 67.29-5(b) – attendees who fall under this section have been withheld including labor/employee groups and organizations, as well as members of the public who wished to remain anonymous.

Per Admin Code 67.29-5(e) – names of Department members are not provided when all attendees at the meeting are in the official's City department.

As for your request for the calendar for date range October 21 – 28, these records are not being provided per Admin Code 67.29-5(a). "Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date." The SFPD will provide you with an update by October 29.

Thank you for your courtesy in this regard.

Chief Scott,

I am interested in building a relationship with the San Francisco Police Department. [REDACTED] currently have been very successful with the partnership I developed with the Los Angeles Police Department Police Officer Preparedness Program Cadets. We have developed a great partnership in hiring the cadets and helping them obtain their guard cards. We would like to do the same with San Francisco P.D. as well. [REDACTED] I would like to formally introduce you to Jared Charity who is our Director of Operations. His e-mail address is [REDACTED]. If possible can we set up a meeting with you for either this week or next week. I will be in town September 6th and hopefully we can get together and catch up over lunch or dinner and introduce you to our Executive Management. I asked George Gascon who is a friend to reach out to you for the introduction. Look forward to speaking with you Sir.

Good Afternoon and Happy New Year

The first Chief meeting will actually be held this coming Monday January 7, 2019. Time is 6-7pm and location will be CARE office located at 107 Dakota Street.

This is a new year and with that comes change.

This way if there is an issue that needs to be worked on we have the whole month and can report back with a solution hopefully.

This is also a way to not have to skip November and December due to the holidays.

Look forward to seeing you at the first meeting and if you know of someone that is having a problem and think that speaking with the Chief or our other dedicated officers then please have them come to the meeting.

Thank you

Uzuri

Thank you for the Notices of Appearance.

I am confirming my appearance for the following and requesting a conference call as usual:

I will also provide brief summary testimony for the jurisdictional cases, and will also note to the committee that there are multiple different Anonymous petitioners in the list.

If the IT committee meets on Dec. 17 as well, I intend to also appear for public comment there (I assume its the same conference call?), and will enter further documents for the 19105 general Metadata file by Dec. 10, 5pm.

This is a **further written waiver** until the latest of: [May 3, 2020, expiration of [Order of the Health Officer C19-07b](#), or expiration of paragraph 1 of [Executive Order N-33-20](#)], of any CPRA/Sunshine deadlines (incl. SOTF's own 67.21(e) 45-day deadline to issue a determination) that would normally occur between now and such date **in solely the above list of SOTF cases**, EXCEPT the following which are either long-standing and with which continued non-compliance is unrelated to COVID-19 work, or for which the information is itself about COVID-19:

- This waiver does not apply to SOTF Order 19047 or SOTF 19044.
- The waiver does not apply to requests about COVID-19 itself sent to DEM, DPH, or the Mayor or her office.
- The waiver does not apply to agencies whose employees are not listed in the TO.

Note that while I am waiving these deadlines, SOTF may or may not be also waiving your deadlines and I have no control over that.

The following are **not** waived:

- Any violations, including timeliness, occurring prior to March 17, 2020, or after the end of the waiver date.

- Any non-timeliness violations.
- Failure by the City to retain and refrain from destroying during the pendency of the waiver any responsive records.
- Any unilateral decision by the City that purports to exempt itself or any of its agencies, officers, or employees from the CPRA or Sunshine Ordinance or any of its provisions.

I do not believe Paragraph 2 of [Executive Order N-35-20](#) or Paragraph 5 of the Mayor's March 13 [Second Supplement](#) or any other unilateral suspensions by the government of its own transparency obligations are legally valid and will challenge them if they are used.

Thanks Ms. Leger. Is this a change in procedure? My understanding is that all parties are required to be present at the Complaint Committee's jurisdiction hearing. Your Procedure C.1 of Sept 24 states:

"Committee Hearing Schedule: At the discretion of the Chair, all complaints will be referred to the next available Committee to conduct a hearing to 1) determine if the SOTF has jurisdiction; 2) review the merits of the complaint; and/or 3) issue a report and/or recommendation to the SOTF. ***The Complainant and Respondent are required to attend the Committee hearing to review the complaints.***"

I also wanted to make sure my earlier complaints haven't been forgotten. Can you please let me know that the status of 19097, 19098, 19103, and 19108?

Ms. Leger,

You emailed indicating you could not open the attachments for 19112. However you have previously added them to the file when you constructed the complaint to send to the respondent:

https://cdn.muckrock.com/foia_files/2019/10/30/19112_Complaint.pdf

That is all I have for 19112.

I have no further documents to add to 19113 either.

Your notice also said I and the Respondents don't need to appear on Nov. 19, however I will be doing so via teleconference as usual - please provide a phone number and code. I hope the City respondents will be appearing as well.

Finally, I just wanted to note that I have various complaints ahead of 19112 in the numeric order awaiting Committee hearings too:

- 19097 - mostly metadata (probably best to keep this in one file waiting for metadata decision).
- 19098 - a few metadata issues, lots of non-metadata issues (could be divided into 2 files) - **this case is also against SFPD, like 19112, so it may be efficient to hear it on Nov. 19 as well if the Chair of Complaint Committee wishes to waive the 2-complaint rule**
- 19103 - no metadata issues
- 19108 - no metadata issues

Thanks Ms. Leger. Is this a change in procedure? My understanding is that all parties are required to be present at the Complaint Committee's jurisdiction hearing. Your Procedure C.1 of Sept 24 states: "Committee Hearing Schedule: At the discretion of the Chair, all complaints will be referred to the next available Committee to conduct a hearing to 1) determine if the SOTF has jurisdiction; 2) review the merits of the complaint; and/or 3) issue a report and/or recommendation to the SOTF. **The Complainant and Respondent are required to attend the Committee hearing to review the complaints.**" (emphasis mine)

Subject: SOTF - Waiver of the 45-Day Rule

Dear SOTF Petitioners, Respondents and other Stakeholders:

As you most likely know SOTF operations have been delayed over the last few months due to the Covid-19 emergency. The SOTF have started to conduct remote meetings via videoconference and are working to establish procedures to resume all operations including the processing of complaints.

While the Sunshine Ordinance requires that certain actions be taken within 45 days, the Covid-19 emergency has forced delays and immense new backlogs for complaint hearings. We write today to ask if you are willing to waive the 45 day rule for your complaint.

The SOTF intends to resume hearing complaints *on a limited basis and complaints will be* queued to be heard in the near future. We continue to work to address technical issues posed by remote meetings. We are aware of the time sensitivity of your records requests. Please be assured that the SOTF appreciates the urgency of your matters and the importance of handling them in a timely manner.

If you have further questions about your files or have other issues, please feel free to email the SOTF Administrator at the email below.
