## YOUTH COMMISSION MEMORANDUM

**TO:** John Carroll, Assistant Clerk, Public Safety and Neighborhood Services Committee  
**FROM:** Youth Commission  
**DATE:** Tuesday, March 16, 2021  
**RE:** Referral response to BOS File No. 210042 [Hearing - Reimbursement Practices and Maximizing Funding - Youth and Family Mental Health Services]

---

At our **Monday, March 15, 2021, meeting**, the Youth Commission voted to support the following motion:

**To unanimously support BOS File No. 210042 - [Hearing - Reimbursement Practices and Maximizing Funding - Youth and Family Mental Health Services]**

The Youth Commission understands this legislation is more administrative in nature, however, when it gets to the implementation stage the Youth Commissioners voted to include the following questions, recommendations, and comments:

### Questions:

- how is cultural competency held? How will students of color know about this?
- What is the language access like?

### Recommendations:

- continue meetings with CBOS – especially Youth MOJO from Chinese Progressive Association
- draw information and data from DCYF’s Community Needs Assessments and OCOF’s Child and Youth Friendly Initiative assessments
- budget priorities be focused on:
  - cultural competency for BIPOC communities of color
  - educational outreach for youth mental health
  - funding for alternatives for different modes of therapy
  - funding for youth rights and redefining safety as a patient (meaning that youth rights are respected)
- compensation programs for youth to attend therapy
- engage SFUSD in the conversation
- explore affinity groups
- create sustainability of care post high school and funding alternatives in community clinics:
  - increase supports in institutions

- bring in resources for expansion in community clinics and places that have mental health trainees
