## YOUTH COMMISSION MEMORANDUM

**TO:** Linda Wong, Assistant Clerk, Budget and Appropriations Committee  
**FROM:** Youth Commission  
**DATE:** Tuesday, May 18, 2021  
**RE:** Referral response to BOS File No. 210405 - [Hearing on Food Insecurity and Hunger in San Francisco]

---

At our **Monday, May 17, 2021, meeting**, the Youth Commission voted to support the following motion:

**To unanimously support BOS File No. 210405** - [Hearing on Food Insecurity and Hunger in San Francisco]

The Youth Commissioners voted to include the following questions, recommendations, and comments.

Questions:

1. What is the city doing to fund programs that are community funded, and how does the city plan to help these grass roots/mutual aid efforts?
2. How is DCYF integrating food programs into its service provider's program?
3. What is going to happen for the families that were relying on the free food programs that were offered during the pandemic?
4. In what ways can food insecurity be measured in SF?
5. What is being done financially and how is the city creating relationships with community?
6. What are possible collaborations for SFUSD to get involved for food insecurity and for healthier meals at public schools and meals that are culturally relevant to students of color?
7. How can we make sure that community folks who are doing the work right now are being acknowledged and paid?
8. How do City and County departments expand on how they talk about food insecurity? It is not binary. It doesn't always mean that someone doesn't have food. How do we talk about having these conversations with community members?

Recommendations:

- A compensated youth seat to the food security task force and be available to undocumented youth
