#### **7. Youth Commission Business (All Items to Follow Discussion and Possible Action)**

Chair Matz called items 7A and 7B out of order as the presenter for item 5A and 5B had not yet arrived.

- A. Discussion on 2016 National and Local Elections  
Sponsor: Commissioner Matz

Commissioner Matz encouraged an exercise to the Commission:

In respect to this election:

- 1) What do I need from my community?
- 2) What can I give to my community?

Gave the Commission 5 minutes to mull over questions. Chair Matz and staff are here to listen and to give support. This is a call to invest deeply in the YC and wherever else we can be involved.

- B. Discussion on Free City College Funding

Commissioner Blacksher arrived at 5:28pm

CCSF student spoke on this topic giving an update on free city college. Prop W had passed with 80% of support of voters and with majority support of BOS. Having free tuition would help lift a financial burden for a lot of folks in the city and want to implement in Fall 2017.

Question-have heard of diverting the funds because of other props not passing as well as the general fear of Trump and the financial impact of that on SF. All of those issues can be addressed using general funds and free city money will be for free city college.

The criteria is for SF residents and SF part time workers.

This campaign is asking that YC be on board with social media tasks, such as hashtagging your BOS, posting a video, and including why it's important. Tweets,

instagrams #freecity, could hashtag your Supervisor along with it. Outreach officers, Vargas and Lind, along with Amable, are willing to help with this effort.

Board will vote on this on December 13<sup>th</sup> and again on January 10<sup>th</sup>.

## **5. Legislation Referred by the Board of Supervisors (All Items to Follow Discussion and Possible Action)**

Chair Matz returned back to item 5A and 5B when the presenter arrived.

- A. BOS File No. 161288 [Appropriation - General Reserve - Establishing a Legal Unit to Defend Immigrants from Deportation in FYs 2016-2017 and 2017-2018 - \$6,945,965]  
Sponsors: Supervisors David Campos, Eric Mar, John Avalos, Jane Kim; Presenter: Carolyn Goossen, Legislative Aide to David Campos  
(Document B)

This legislation is about strengthening immigrant rights protections in SF and do what it means to be a sanctuary city. There are two pieces of being a sanctuary city: when immigrants access health care, police, schools and other services in SF there is no reporting to the feds and secondly, having access to due process.

Trump has threatened to deport undocumented immigrants. We need to protect these immigrants in SF and this leg is a \$5 million proposal and ensures that every person who is detained has access to a lawyer. There is a 7x greater chance of getting to stay if you have legal representation and SF is modeling itself after New York. Other half of the money is going to be given to nonprofits who work with immigrants. All of these conversations have been with legal folks and immigrant rights folks to keep SF a true sanctuary city.

There will be a press conference at 12 tomorrow, on Tuesday and YC'ers are invited.

Questions-is appropriation the best way? This is an emergency and a core SF value. The lives of our residents are at stake. 1 in 3 residents are born to an immigrant parent in SF. Need to deal with this before Trump takes office.

Question-what are differences between two pieces of leg. One is about the money. Doing a lot of this in coordination with the public defender's office. Second piece of legislation is just to say "yes we will allot these positions to the Public Defenders office".

Chair Matz: Reminder that YC has supported due process for all and both of these topics in the past. Cities across the nation have been affirming their sanctuary city status.

Commissioner Galeano: concerned if Sheriff's dept would actually follow this. How does Sheriff Dept fit into this? Could we get a presentation on this aspect?

Question-this money is from the general fund? Yes

Commissioner Marshall-Fricker: this is important but concerned about totally gutting the general fund.

Commissioner Juarez: This is an emergency and it will affect so many families. We definitely need to act in accordance with this being an emergency. Commissioner Lind: Important to keep diversity of SF so this is something that should be supported.

Commissioner Juarez, seconded by Commissioner Amable, made a general motion of support. Roll call vote with unanimous support of 16 ayes.

There was no public comment.

- B. BOS File No. 161289 [Public Employment - Amendment to the Annual Salary Ordinance for the Office of Public Defender - Legal Unit to Defend Immigrants from Deportation - FYs 2016-2017 and 2017-2018]  
Sponsor: Presenter: Carolyn Goossen, Legislative Aide to David Campos  
(Document C)

Commissioner N. David, seconded by Commissioner Vargas, made motion of general support. Roll call vote with unanimous support of 16 ayes.

No public comment.

Commissioner Juarez has class but might be able to get out early to attend the press conference.
