- a. Timekeeper-Alysha

- c. Minutes-Kiely
- d. Rules of Order-Charley

Arianna stepped into Charley's role as Rules of Order.

C. Review YLI's CAM Resolution on Urging the SF Board of Supervisors to pass a city-wide tobacco minimum price law & limit coupon redemption.

Arianna: for all ages or specifically young people? Consistency with \$ and % signs versus words. The last whereas clause on the second page is confusing. "On price discounts paid to cigarette retailers and wholesalers" When tobacco companies are making deals with store owners, some store owners will purchase in bulk. Retailers are offering a deal if store owners accept coupons and sweepstakes deals. Practice omitting the Whereas clauses and see if the piece reads and flows. Is the first Whereas clause on the second page referring to all tobacco products? Price minimizing strategy should be defined.

Would you recommend an anecdote? It has to be very closely related to the couponing effect on tobacco.
