5. Business (All Items to Follow Discussion and Possible Action)

A. Team Building Activity & Check Ins

Committee engaged in a team building activity. Commissioner Plunkett arrived at 5:12pm.

B. Debrief last full YC meeting

Commissioner Matz felt like she was the only one asking questions. Has noticed the theme of YC'ers not asking questions or being prepared for presentations. Juarez thinks it's easy to check out because there has been such a lack of Legislation Referred.

C. Review of Updates on Commission Outreach and Communications

No updates from Commissioners but staff shared we received over 50 applications for the upcoming Youth Commission term.

D. Review of recent youth-related Board of Supervisors legislation

Commissioner Plunkett shared about upcoming possible legislation issues: banning flavored tobacco products (in process to be presented to the YC in an upcoming meeting), affordable housing fee requirements, kindergarten to college fund (more info needed on this one), resolution on designated childcare units needing to be at an affordable rate, and three hearings: one on LGBTQ cultural heritage strategy, a youth homelessness hearing (the sponsor wants the YC to present at this hearing), and the SF groundwater supply project.

E. Committee reports

All committees are working, researching, and drafting for the resolutions and BPPs. HRT had a great presentation from SF MUNI, and Civic Engagement is reapplying for a spring BLING grant.

F. Working Group on outreach for San Franciscans for Municipal Fiber-Youth Survey

Commissioners posted and outreached for the fiber survey. Commissioner Yu posted on Campaign Academy's and Youth for Single Room Occupancy facebook pages, Commissioner Juarez took the survey and text friends, Commissioner Plunkett also took it, and Commissioner Matz texted her friends and put it on facebook.

G. Discussion on first reading of BPP report for May 1, 2017

Reminder that in order for BPPs to be read at first reading there must be a title and recommendations.

H. Discussion Regarding May 1st Youth Commission Meeting

Commissioner Yu, Plunkett, Juarez, and Matz can all make it to a May 8th meeting instead of May 1st. Commissioner Matz, seconded by Commissioner Plunkett, motioned to move the May 1st meeting to May 8th, in order to accommodate the May 1st strikes. Motion was passed by acclamation.

I. Approve Agenda for possible May 1, 2017 Full YC Meeting
