A. BLING Youth Voter Pre-Registration Celebration

Commissioner and youth trainers (Cicely Henderson, Department of Elections Youth Ambassador) debriefed the project as a whole.

**Positives:**

- many youth didn't know they could pre-register and now they do
- it was easy to convince them to pre-register but then wouldn't have their IDs (ssn, CA ID, Driver's License)
- one student has made this available to almost all upper class folks
- one student did presentation to his YouthWorks cohort and since they already had their SSN it was easy to get them to pre register

**Negatives:**

- biggest hurdle from all trainers was the lack of driver's license, social security numbers, or CA IDs
- some youth didn't think it was important to pre-register
- one student experienced not being trusted to turn in the forms if they were filled out
- some didn't want to pre-register as they felt a sense of hopelessness regarding Trump and that their vote wouldn't matter anyways

**B. Discuss and Review BLING Grant Report**

Commissioners discussed final edits to their grant report with the deadline of 12 noon on 1/4/18 to get all last minute changes to staff.

**6. Staff Report**

- Reminder regarding accountability and being 100% invested in whatever the Committee works on next. Come to CEI on 1/24/18 with any ideas you want to work on and remember it should have a policy focus
- some ideas for rest of the year: Prop N implementation, anything regarding immigration, Vote16 work, fee waiver for CA IDs, continued push of Student Advisory Council to push the Board of Education to implement the pre-registration resolution

**7. Executive Committee Report**

They did not meet.

**8. Civic Engagement and Immigration Committee Report to Full Commission (Discussion and Possible Action)**

Commissioner Mao will report back.

**9. Adjournment**
