- C. Next Steps on Youth Employment

Chair Franet called item C out of order. Bahlam debriefed the meeting with DCYF staff regarding youth employment issues. Need to do a bit more research on the current legalities of a youth employment council as well as see who houses it. It's unclear if it should be OEWD or DCYF. Next steps-ask DCYF staff to do an e-introduction to staff at OEWD and set up a meeting with

them while also continuing to gather more research. The resolution could be either symbolic or more about the implementation, depending on what the research shows.

The BLA meeting went well. Supervisor Safai's office has also requested a report that could help get us some information we have also requested. Expecting updates every couple of weeks with a solid report in 8-10 weeks time.

The HUD YHDP grant has an opportunity to fund TAY housing for those coming out of the jail system. To be determined if this grant will be awarded and keeping this on the radar will be important.

Zak will reach out to Juvenile Probation Commission to make sure they vote on our previous request that was not listed as an action item.
