No public comment.

5. Presentations (All Items to Follow are Discussion and Possible Action)

- A. [Inform + Decision] Fare Integration in the Bay Area
Presenter: Adina Levin, Advocacy Director Seamless Bay Area

Other Seamless Staff:

- Serena
- Liz
- Dave (phoning in)

Presentation:

Seamless Bay Area a non profit seeking to make the Bay's fragmented transit system more efficient. This inefficiency causes barriers for transit riders. Many agencies who don't work with each other to make transit more convenient & affordable. We have a broad initiative that the YC supported last year - transit principles.

The Seamless Transit Principles

The Seamless Transit Principles have been developed by a coalition of non-profit groups to guide local, regional, and state decision-makers to pursue a seamlessly integrated, world-class transit system that works for people.

Methods of Collection:

- Volunteers who are interested in supporting the engagement?
 - Ewan
 - Adrianna

- Writing a Letter & Giving Public Comment:

Dave: Access & Mobility is important - to students & employees - trying to champion the need for efficient public transit. We need to address climate concerns and address the lack of parking.

Questions:

- BarkerPlummer - what can we do to make sure people know they can get this pass?
- Answer: Not sure yet, but the 1st description will be presented on 2/28 at the fare integration task force. This is a public meeting and you can watch it live. I can share information from this meeting
- Barker Plummer: not an active proposal for how this will work - will we believe that SFMTA fares will be lower than what they are right now?
- Answer: study recommendation did not have anything to change transit fares. So it would not impact SFMTA fares.
- Barker Plummer: So you would pay a MUNI price and then transfer to other agencies?
- Answer: with this pass, they could purchase it to include MUNI. in 2023, if they transfer between Sam Trans & Muni they'll pay for one. If you ride Muni & Bart then you'll pay for the BART fare & MUNI will be waived.

Senate Bill 917 - another campaign that will require a further YC presentation.
