6. Committee Business (Discussion)

Chair Loftus: We are now C, E, E, C. What is the update on Civic Engagement Survey?

Commissioner Utting presents the survey.

Chair Loftus, Commissioners Im, and Barker Plummer offer edit suggestions such as adding more demographics and grammatical edits.

Commissioner Utting asks Staff to see how we can get SFUSD to help us distribute the survey.

Staff, Joy states that she will look for an SFUSD contact and ask for CEEC.

Chair Loftus talks about the resolution draft - needs to add Commissioners Anish, Utting, Barker Plummer, Hum, and Colin to collaborate on the resolution

Staff, Joy, asks whether the Commissioners want to write one resolution that includes a “resolved” that proposes the Safer Schools Task Force or a separate document/resolution that outlines what the Safer Schools Task Force looks like

Commissioner Barker Plummer wants to work on the safer schools task force resolution

Chair Loftus: What is the legislative process for the Youth Commission? Will it be a quorum issue if Commissioners are all working on the Google Docs simultaneously? For writing resolutions, can we get help from other commissioners and staff?

Staff, Joy explains the legislative process and offers options. Also stating that it will be a quorum issue if there are 9 or more Commissioners on at a time. It will also be an issue if there is a quorum of committee members. Staff is always here to help with writing resolutions.

Commissioner Barker Plummer: I can help with writing and teaching people how to write resolutions.

Commissioners Loftus and Im will work on the resolution draft.

7. Staff Report (Discussion Item)

Joy, staff, asked committee members if the committee can move a few meetings in 2023 to another day of the week because some Full Commission meetings need to be moved to Tuesdays due to federal holidays.

Commissioners proposed to change it to Thursdays of those weeks.

Commissioner Barker Plummer asks others if the committee can move their committee time to 5 PM if the committee starts meeting in person.

Commissioner Im states that 5 PM is too early since it takes a while to get from her school to City Hall. She proposes 5:30 PM as a compromise.

Commissioner Pimentel also states that 5:30 PM is a better compromise.

8. Adjournment

There is no further business. The meeting is adjourned at 7:04 PM.
