6. Committee Business (Discussion)

A) Updates on Upcoming Resolutions

Chair Loftus and Commissioner Pimentel intend to work on a resolution on life skills in SFUSD schools. Commissioner Pimentel and Chair Hum are continuing to work on the mental health resolution. Commissioner Utting is still working on a vote preregistration resolution but still has some questions for the Department of Elections, so she will work with Joy to get them to come to a future CEEC meeting to continue the discussion. She is also going to connect with Commissioner Im on a resolution calling on streamlining the CCSF courses process. Additionally, Commissioner Utting is looking into a resolution calling for getting the Youth Commission paid.

B) Prop G Community Input Survey (Presenter: Commissioner Vanessa Pimentel)

The survey has passed at the Full Commission. Commissioner Pimentel is working with Commissioner Colin to outreach to community organizations. They will also reconnect with Leslie from UESF to get a list of educators to send the survey to their students. Listening sessions will begin in May.

C) Vote16 Charter Amendment Review

Question from Chair Hum: If the state law says that there's a certain age that states who is a vote, can that affect SF passing this? Since the City has to follow state laws.

D) CEEC-related news.

CASC (Esther Kim and Aarnav Verma) gives a brief introduction.

Chair Loftus asks how big is CASC. Esther answers that it's a statewide organization throughout California. Aarnav says that there are 20 cabinet members. Chair Loftus asks about the found values that have been around for 75 years. Esther responds. Commissioner Pimentel asks if they're SF students and if there are any SF students involved.

Aarnav responds that they're not SF students, but there are a few SF students involved.

No public comment.

7. Staff Report (Discussion Item)

Joy says that she's connecting with the former coordinator for the YouthVote program and will invite him to a CEEC meeting. Joy is also working on bringing the Department of Elections to present to CEEC.

8. Adjournment

There is no further business. The meeting is adjourned at 6:46 PM.

[Support the Development of Financial Literacy and Life Skills Education in Public High Schools]

Resolution supporting financial literacy and life skills education in public high schools to help all San Francisco students achieve their future goals.

WHEREAS, financial literacy and life skills are essential skills for success in adulthood and throughout life; and,

WHEREAS, there are no current educational requirements or standards regarding financial literacy in California even though it has been shown to create economic consequences for students later down the line; and,

WHEREAS, PISA (Program for International Student Assessment) reports that "22% of students, or more than 1.2 million 15-year-olds, score below the baseline level of proficiency in financial literacy," which highlights the need for school districts to properly integrate financial education into a K–12 curriculum because failure to do so could result in students making poor financial decisions later in life and endanger their financial future; and

WHEREAS, such education can reduce the financial anxiety among students and their families; and,

WHEREAS,
WHEREAS,
RESOLVED,

FURTHER RESOLVED,
