

# Youth Leadership Evaluation

Document **I**

Which group/program are you filling this out for?  
Youth Commission                      Youth Advisory Council  
Student Advisory Council              YEFAB  
Youth Warriors

1. How useful were the orientations/retreats this past year?

Very helpful      Somewhat helpful      Not helpful  
                                           

How so? How not?

2. What specific changes to the orientations/retreats would you like to see?

3. During the year, did you have the support needed to accomplish your goals?

Yes      Somewhat      No  
                                           

What support would you need more of?

4. How much did you enjoy coming to meetings?

A lot      A little      Not at all  
                                           

What would make the environment more welcoming and comfortable?

5. What would you like more of?

I-on-1 with staff                      Time with peers                      Group projects                      Trainings  
                                                                 

Off-site meetings                      Work with CBOs                      \_\_\_\_\_                      \_\_\_\_\_  
                                                                 

Why?

6. What else would improve your experience? Be specific and honest! 😊

7. How would you describe your experience this year?

## Staff Review

Please indicate the degree to which you interacted with each staffer and answer the questions the best you can.
