

2013 FRISCO DAY

FRIDAY, APRIL 19

9AM-3PM

City College of San Francisco
San Francisco State University
University of California, San Francisco

A DAY FOR SFUSD SENIORS TO GAIN:

College knowledge. We will teach students how to "work the college system", exposing them to the ins and outs of how to get what they need during their college journey.

Persistence. Studies show that students who get a degree or certificate before the age of 26 will be self sufficient. But sometimes life gets in the way of school and we want to teach students not to give up but to seek out resources to assist in their effort.

Options. Students who do not yet have a plan will see the programs CCSF offers. In today's economy students need training and CCSF has more than 100 certificates to enter skilled jobs in the workforce and programs to transfer to 4 year universities.

Self advocacy skills. Our ultimate goal is to guide your student to be an effective self-advocate for his or her education and future.

WORKSHOPS:

ALL: Financial Aid + Budgeting, Current Student Panels

City College: Matriculation Steps (orientation, counseling), Bay Area Community Colleges, Student Club Fair, Campus Tours, Academic Programs, Transfer Options
