

1 **[Youth Commission Support and Sponsorship of Summer Learning Day 2014]**

2 *The Youth Commission supports and co-sponsors Mo' Magic's Summer Learning Day event to take*
3 *place on June 20, 2014 at the Polk St. steps of City Hall.*

4
5 Supplemental Information:

6 Summer Learning Day is the kickoff event and a nation-wide celebration of the San Francisco's
7 summer programs that support communities and their youth. Coordinated by the San Francisco
8 Summer Learning Network, this event will raise recognition of the importance of quality summer
9 opportunities that help enrich the young people of San Francisco. Numerous programs and
10 organizations will also be participating in a resource fair in Civic Center Plaza, from 11am-3pm, on
11 June 20. The City & County and the San Francisco Unified School District and the Department of
12 Children, Youth and Their Families are also part of the network behind this event.

13
14 Also hosting the resource fair is MO' MAGIC, a District 5 community based organization that serves
15 youth and families. This event is apart of their Summer Learning Series, an eight-week youth summer
16 enrichment programming that will include two workshop events involving city government and public
17 policy. In the previous years, the Youth Commission has participated and co-sponsored Summer
18 Learning Day. Two commissioners will also have a chance to MC the event and do a welcoming and
19 closing speech. Commissioner Jina Bae has been in touch with Mo' Magic and will be one of the two
20 commissioners to MC Summer Learning Day.
