5 On the 12<sup>th</sup> of December, of the year 2017, our beloved city of San Francisco unexpectedly lost its  
6 Mayor, Edwin Mah Lee. Mayor Lee was a husband, a father, and a man who put over 25 years of  
7 service into our city. He was known for his affable nature and tireless work ethic; advocating for  
8 increases in minimum wage, and creating the Housing Trust Fund. His rise through hard work from  
9 humble beginnings, served as an inspiration for all. In a time of open hostility towards minorities, his  
10 status as the first Asian American Mayor of San Francisco is of great import. On behalf of the San  
11 Francisco Youth Commission, we would like to offer our sincerest condolences to his wife Anita, and  
12 daughters, Tania and Brianna, and for us Mayoral Appointees, a reassurance that we will continue to  
13 be worthy of the trust and distinction which Mayor Lee bestowed upon us. He will be missed dearly.
