

1 [Motion honoring the life of Jesus Adolfo Delgado Duarte and offering condolences to his family and
2 community]

3 Supplemental Information:

4 Adolfo, 19 year old Mission local, was born in Mexico on Christmas Day in 1998, and grew up in the
5 Mission District near 22nd and Bryant streets. He attended SF schools such as Bryant Elementary,
6 Aptos Middle School, John O'Connell High School, and graduated from Life Learning Academy
Charter High School on Treasure Island. He was a participant at the Boys and Girls Club and held
down a job at Metro PCS.¹

7 On Tuesday, March 6th 2018, 19 year old Jesus Adolfo Delgado Duarte was shot and killed by the
8 San Francisco Police Department after ten police officers fired roughly 99 rounds of gunfire².

9 We are aware that the killing of Jesus is also reminiscent of the murders of Alex Nieto, Luis Gongora,
10 Mario Woods, Amilcar Perez Lopez, Jessica Williams and numerous other San Francisco Black and
Latinx³ youth.

11 On behalf of the San Francisco Youth Commission, we would like to offer our sincerest condolences to
12 his family and community, and a reassurance that we will continue to fight for Police reform and/or
alternatives to policing.

13 The San Francisco Youth Commission stands against police violence, which harms young people,
14 especially youth of color, and we stand for urgent action and solutions, as we have for all of our 21
15 year history. The San Francisco Youth Commission recommits to doing everything possible to stand
against police brutality and support youth and community led organizing efforts for action and
solutions.
