WHEREAS, Assembly Bill 493 by Assembly Member Gloria in the 2019-2020 session of the California State Legislature (AB 493) would, if enacted, require schools to provide in-service training to teachers on school site and community resources available to support LGBTQ students, commencing with the 2021-2022 school year; and

WHEREAS, While SFUSD scores in the top tier, reporting extensive programs and policies designed to foster a safe and supportive school climate for LGBTQ students, including anti-bullying and suicide prevention policies, cultural competency training programs,
peer support clubs, and inclusive access to facilities, the vast majority of those districts which
submitted responses across California did not score at this level; and
