YOUTH COMMISSION MEMORANDUM

TO: John Carroll, Assistant Clerk, Government Audit and Oversight Committee
FROM: Youth Commission
DATE: Wednesday, November 18, 2020
RE: Referral response to BOS File No. 201273 - [Hearing - Meet and Confer Obligations with the Police Officers Association]

At our **Monday, November 16, 2020, meeting**, the Youth Commission voted to support the following motion:

To not support BOS File No. 201273 - [Hearing - Meet and Confer Obligations with the Police Officers Association]

The Youth Commissioners voted to include the following questions, recommendations, and comments to be included at the hearing:

Questions and Recommendations:

- Why is the Department of Human Resources (DHR) and City Attorney allowing the POA to make decisions that impact the public behind closed doors?
- It is imperative that the City take legislative action on meet and confer sessions with the POA, these meetings need to be made public.
- The hearing should happen sooner rather than later, do not wait until next year to call this hearing.
- The City should not take any outstanding action on any contact that could be impacted by this hearing and until it has gotten answers from the departments about meet and confer sessions.

Comments:

- The Youth Commission is disheartened and discouraged that after hours of public comment where constituents expressed that the POA contract be rejected, it was still passed. The community is asking for defunding and disbandment, not reform. This money could be redistributed into our communities.
- It is problematic that the Board solely relies on legal advice from DHR and City Attorney when there have been instances where their advice has been proven to be incorrect or counterproductive. Especially when it relates to the City's negotiation powers with the POA.

Youth Commissioners thank the Board of Supervisors for their attention to this issue. If you have any questions, please contact our office at (415) 554-6446, or your Youth Commissioner.
