B. Vote16 Campaign

- a. Endorsements Discussion + Brainstorm
 - i. Template Draft for Supervisors
 - ii. Template Draft for community orgs

Commissioners created and updated a template that is specific to endorsement requests for Supervisors. Emails will be customized to each Supervisor based on their previous stance in the 2016 campaign as well as with any knowledge of how they generally support youth issues and priorities. Commissioners are utilizing a letter template from Power CA and incorporating SF specific information. A general flow for the letter is:

- Identifying the writer as well as a brief description of what Vote16 is
- Customize the letter to the recipient (did they support in 2016? What youth causes do they care about and connects to vote16?)
- National context for the Vote16 movement
- Asks/requests of Supervisors

Most importantly, the requests for Supervisors are:

1. co-sponsor the Vote16 legislation
2. signing a pledge card (attached) indicating their support for the campaign
3. Attend and briefly speak at our Vote16 Town Hall at a TBD April date
4. Host a stack of voter pre-registration cards and pledge cards in their office, and
5. Help in distributing and supporting Vote16 efforts at their community events

Commissioners engaged in an abridged version of power mapping, which will be utilized more in depth at the upcoming mid year retreat. Commissioners identified possible endorsements and who to target.

Deadlines:

- ❖ **January 14th**- staff, in collaboration with CEC chairs, will review the email template for Commissioners to have as their basic foundational text.
- ❖ **January 14th-January 27th**-Commissioners engage in research for the unclear endorsements that could help sway them to a “yes”. Things to research:
 - [Utilize Legistar](#) to look up Supervisors and how they sponsored or voted on certain types of legislation
 - Watch BOS or BOS Committee meetings on specific issues that could pertain to young people. How do they speak about youth? What’s their understanding of youth issues and priorities in SF? [Meeting calendar here](#) and also stream live on SFGovTV
 - Review local news sources that are specific to Supervisors and the work they do. [SF Usual Suspects](#) is all about City Hall and elected officials and department heads. Likewise, [Mission Local](#) is a good source as is [Hoodline](#). SF Chronicle, Examiner and SF Gate are also options.
 - Ask a legislative aide! If you happen to run into a legislative aide for the Supervisor you’re targeting, a friendly “I’m curious what X supervisor thinks about expanding voting rights to 16 and 17 year olds in SF” and go from there
- ❖ **January 27th**-Civic Engagement Committee meeting where we will send out emails requesting support again or sending emails requesting support with a meeting request

sometime in February to give more information and context. This meeting will also focus on round 2 of endorsements, but focused on Community Organizations and Political Clubs.

- ❖ **February 2020**-follow up on emails to get signed endorsements, see if they would like to co sponsor the legislation, and/or set up in person meetings. Tenacity and perseverance is key here!

b. Town Hall Discussion + Planning

Save the date: Friday April 24th in the evening

Goals for a Vote16 Town Hall:

- Awareness (more people need to know about Vote16)
- Conversation + Discussion (dispel myths and stereotypes re: youth voting)
- Build momentum (get people excited and rally them up!)
- Feedback (what does the community need from us in their neighborhoods?)
- Call to action (what are we asking them to do once we leave the Town Hall?)

By the Mid Year Retreat, January 18th, CECers need to review and read the Town Hall documents that Kiely sent on January 13th. Between now and April (but preferably way before) CECers should be attending Town Halls to get a sense of how they want theirs to flow.

4 buckets of planning a Town Hall:

- 1) Logistics (location, food)
- 2) Community outreach + awareness (do presentations in community settings)
- 3) Marketing (social media)
- 4) Planning the agenda (goals, outcomes, flow, roles)

Vote16 general news and updates from Staff:

- Chinese Progressive Association has expressed commitment to the Vote16 campaign and outlined ways they can assist and support!
- There is a Youth Justice Comic Con on February 29th at Lick from 11-3pm. A request for CECers to table re: Vote16
- More pledge cards are in the YC office. Be sure to turn them back in as we will use contact information for call to actions when we have them
- NEN awards tabling on Wednesday, January 29th. Set up is at 5:30 but tabling starts at 7:30pm. Arianna can attend and Sarah C. and Crystal are a maybe
- To introduce a ballot initiative it must be introduced 168 days prior to the election. Best to get this in and submitted by first week of May 2020
- President Yee has requested a meeting to discuss Vote16 efforts with staff. Unclear if he wants CECers there. Will be Thursday at 3pm.
