Discussion:
- How do we keep YCers committed to meetings?
  - CEC - not much of an issue
  - TJ - good presence during SIP, dedicated folks
  - HLU - haven’t had a formal meeting yet, but people’s attendance has been steady

D. Debrief full YC from June 1st, 2020

Discussion:
- How was our first Teams FYC meeting?
  - COB said we had the smoothest meeting
  - Concerns over people talking over e/o - putting name in chat helped (Commissioner Cheung)
  - (Commissioner Quick) keeping chat for agenda items & roster strategy helped to keep meeting organized esp. bc there is so many of us + staff + presenters
  - (Commissioner Chan) no tech problems, was a bit long & felt hard bc I already spend enough time on my screen
    - Cheung agrees
  - (Commissioner Cureton) Zoom fatigue is real. We can’t change meeting time, but it feels difficult being present bc of other things happening in environment. Fear of minimal discussions but that didn’t happen
  - (Commissioner Santos) How can I stay present during a long FYC meeting? Similar to Cureton, the concerns I had didn't happen. There was a lot of engagement (from the same people tho) Being online can be less personal. The check-in that happened at the end was cool & saw my colleagues in a more personal light. (monthly check-in?)
(Commissioner Cheung) it would be cool to stay a couple minutes after each meeting to check in. Adding to what Santos said, the other half of the YC wasn’t participating, not sure why.

(Staff) I recommend calling on folks specifically, or asking other folks to speak up

(Commissioner Santos) acknowledge folks + invite them to speak or add into the discussion

(Commissioner Cheung) maybe why others didn’t speak up is because their point was already made. Maybe taking a break during the meeting to stretch

(Commissioner Chan) we can vet the agenda during EC to make sure they’re not too long

(Commissioner Quick) when we know we have a long meeting, we should plan in advance to take a break

(Commissioner Cureton) are folks afraid to ask for a break? idk but we can definitely add it in beforehand

(Staff) Keep check-ins at the end of the meeting?
  ■ (All) yes, maybe like 20 mins

(Commissioner Quick) One last thing to bring up - procedure for how we take votes. My understanding, we took a vote, & i appreciate Amara’s explanation for a “no” vote, if we are going to have explanations for dissent, we should do that before the vote. How do other people feel about that?

(Commissioner Santos) agreed with this point, new territory for us. I don’t think any of us knew how to navigate that.

Consensus: we encourage folks to explain their dissent, but do it before we take a vote on a motion. People can chat the chairs so they can anticipate opposition, while being mindful that the chat can be requested by Sunshine Task Force. Chairs will also name the process at the beginning of each discussion for each item and let folks know they can request multiple motions.

E. Review of Updates on Commission Outreach and Communications
Presenters: Crystal Chan and Amara Santos, Communication and Outreach Officers

Commissioner Santos:
  Today’s meeting: discussed an idea that Sarah had. She posted about a book club with the purpose to discuss political events, anti-blackness, and systemic racism. Would need to set up a time. Can be a follow-up to our efforts to address microaggressions

Social Media: trying to have conversations on the usefulness of social media + being conscious of the content we are posting. Animal posts and live tweeted the SF BOE meeting where they addressed the SFPD MOU
Commissioner Chan: Amara covered all of our updates.

Ask: Can EC folks communicate this to their respective committees? More logistical information to come after YC interview season.

F. Review of recent youth-related Board of Supervisors legislation
Presenter: Calvin Quick, Legislative Affairs Officer

Commissioner Quick: Since the last FYC meeting, this last BOS meeting yielded some youth related leg.
1st: Haney, Ronen, Walton - leg. to ban use of certain tactics by SFPD at peaceful rallys & protests
2nd: Resolution addressing civil service commission to name disqualifying factors for law enforcement employees (on agenda for FYC 6/15)

G. Committee reports
   a. Civic Engagement Committee
      Updates: been preparing for public comment training happening tomorrow, other cmte members are preparing to present to the Rules Committee on 6/15 & BLING Grant Celebration this Friday. Trying to get others to attend training tomorrow.
      (Commissioner Santos) What do you all do with the grant money? Answer: generic stuff like campaign materials, food, and still need to discuss the allocation of the money bc of virtual convenings. I can share the budget doc with you.

   b. Housing and Land Use Committee
      Updates: has not met since last FYC meeting. Nothing to report.
      (Commissioner Santos): is there anything for us to know re: news/updates? Answer: monitoring SFTMA, an agreement reached with BOS + SFMTA to not increase fares for the next 2 years. Still unclear about what this means for youth, however. Sup. Preston’s legislation on a moratorium for rent, prohibiting evictions for residents who can’t pay rent due to pandemic. Ballot measure proposed for a tax to support back pay of rent that is due to landlords.

   c. Transformative Justice Committee
      Updates: Arsema + Amara drafting a resolution to address the defunding of SFPD. Currently doing research. Nora drafting a resolution urging SFUSD to end MOU with SFPD. Urging SFUSD to invest in educators with restorative justice practices.

H. Approve Agenda for June 15th, 2020 Full YC Meeting
Discussion:
   ● (All) table the bylaw amendments to be heard at our next FYC meeting, July 6th, 2020.
• (All) Add in TJ resolution re: SFPD + SFUSD MOU

No public comment. Motion to approve the agenda with the amendments mentioned above by Commissioner Cureton, seconded by Commissioner Quick. The motion passes by a roll call vote.
