5. Business (All Items to Follow Discussion and Possible Action)

A. Team Building Activity

Commissioners engaged in a team building activity.

B. Brainstorm Group Agreements

Commissioners brainstormed group agreements.
- Communicate your needs
- Ask questions
- Share the space
- Double confidentiality
- One mic, one diva
C. Discuss committee goals for coming year and ideas for supporting fellow commissioners in coming term

Commissioners discussed how to support the leadership of other Commissioners and want to weave in their group agreements to the entirety of their Commission experience. EC can lend a hand, ask for support, and help each other out from other EC members. YC socials were mentioned as a goal, as well as incorporating regular attendance checks for each meeting.

Josephine and Calvin will reach out to returning EC members to see if they would like to be a buddy to a new commissioner and can figure out what that system looks like with consent from both parties.

D. Review calendar of regular committee meeting dates

TJ and CE Committees need to be updated for November 25th, not the 26th.

E. Review of Updates on Commission Outreach and Communications

Amara and Alondra reported back from attending the SF CIPP meeting. It is now disbanding, but made connections with Project What. Crystal and Amara are upping social media contacts and figuring out ways to track events that YCers attend.

F. Review of recent youth-related Board of Supervisors legislation

- BOS File No.190929 [Health Code - Sugar-Sweetened Beverage Warning for Advertisements]: Supervisors Walton and Brown, an ordinance related to ads and packaging health warnings for sugary beverages. This has to do with the previous regulation being struck down in court, so they're trying to put a new one back into effect.
- Possibility of TJ specific items but too soon to tell (this week Leg introduced focused on US DOJ recommendations for SFPD to implement and a possible hearing from Haney on this matter, as well as Dept. of Juvenile Justice budget discrepancies that might be a hot topic once we have more information).

G. Committee reports

TJ- Nora is Chair, Rome is Vice Chair. Talked about the name, it's connection to the youth commissioners and what it means to them, as well as their connections to the criminal justice system. Know Your Rights trainings have been identified as a main goal for the year as well as coordinating community events. Brainstormed possible timeline for the year.

Housing-Maggie is Chair, Khatab is Vice Chair. Generally discussed goals for the year, what they worked on last year. Possibly focus on more land use issues, zoning issues, and the 29 (so transportation issues).

H. Approve Agenda for September 23, 2019  Full YC Meeting

Packed agenda, discussion to see if staff can reach out to SF Connect and have them push their presentation to October 7th. Commissioner Quick, seconded by Commissioner Santos,
moved to approve the agenda. There was no public comment. The motion was approved by acclamation.

6. Staff Report

- DCYF Oversight Advisory Council vacancy for youth seat. Youth Commission’s role is to help with outreach and recruitment, do interviews, and make recommendations. EC holds all of this and then submits its recommendations for approval at a full YC meeting.
- Stipended Youth Organizer Trainings. [Application - Due Sept 20th](#)
- Bylaws changes needed regarding updates on YC roles for DCYF OAC recommendations and SDDTAC recommendations. Should now include Police Commission’s resolution as well.
- SFUSD Queer and Trans Advisory Council: recruiting high school students to join Queer & Trans Advisory Council (QTAC). QTAC advises LGBTQ Support Services programs, and leads the planning of the annual Genders & Sexualities Alliance Day!
- ID badges handed out plus one more signature needed from new commissioners

7. Adjournment

The meeting was adjourned at 6:51pm.
