RE: Referral response to BOS File No. 150233

At our regular meeting of **Monday, March 16, 2015** the Youth Commission voted unanimously to support the following motion:

To support BOS File No. 150233 - Hearing on recent developments pertaining to City College of San Francisco

During discussion on this item, youth commissioners proposed the following comments and inquiries for considerations during this hearing:

- Youth commissioners encourage members of the Board to inquire into strategies for combating drops in student enrollment at City College.
- Youth commissioners encourage committee members to inquire into plans for maintaining and providing access for undocumented, immigrant, and disabled students at the College.
- Youth commissioners encourage members of the Board of Supervisors to inquire about and consider a plan for the College's and City's response in the case of another decision by the ACCJC to revoke the college's accreditation two years from now.

Youth Commissioners thank the Board of Supervisors for their attention to this issue, which is of critical importance to the youth of San Francisco. If you have any questions about these recommendations, please don't hesitate to contact our office at (415) 554-6446, or your Youth Commissioner.
