Commissioner Quick: Will want to revisit
   - the proportionality clause for HSH - proportion of TAY youth decreased from the point in time count - data in the resolution is 2 years old
   - Mental Health
   - Youth Employment & Life Training, came from working with YAB Larkin - will want to circle back and note any updates on their end
   - keep the first clause on page 7 - SFMTA needs to work with schools - add SFMTA to eliminate nominal fair for all youth, maybe 0 dollars for TAY & youth
   - initiate contact with the TAY action team to work on the common goal of establishing a TAY specific navigation center and hear from affected youth voices.
Commissioner Tanaka: revisit and see how COVID has impacted these priorities

Commissioner Murphy: consider the impacts of COVID-19, line 6 page 6 - adding in the first aid survival resources section for more services and protections for COVID19 impacts

Commissioner Quick: cross committee collaboration through resolution covering COVID19 impacts, data from Larkin re: youth homelessness. Written in the BPP preface, can pull out the relevant info from there.

Commissioner Tang: agrees with others.

Next Steps:
- Calvin: we should reach out to Larkin, revisit the recommendation and ask if they would want to add anything.
