

Dear Youth Commission,

After our meeting on June 5, 2023, I am submitting my formal request for a leave of absence from my position as the District 9 Commissioner and Chair of the Transformative Justice Committee of the Youth Commission.

My time away from work will be from June 20, 2023, to July 21, 2023.

If my request is approved, I am more than willing to help prepare a plan of action to take care of my job responsibilities while I am away from the job. If needed, I can be available by phone, text, or email to provide help in answering any questions that may arise.

If you need any additional information, please let me know. Thank you for your time in discussing the leave with me and for considering my request.

Sincerely,

Commissioner Colin
