Commissioner Barker Plummer suggested adding language urging the Mayor’s Office and BOS to make the recommendation more targeted. Clerk suggests that the Task Force can also target the BPP to specific departments. Chair Listana and Commissioner Barker Plummer suggested urging the mayor’s office and BOS to send it to the state level and use their platforms to elevate the issue. Clerk gave background on how a curriculum is started and implemented in SFUSD. Member Rafer suggested language on how to add that into the BPP.

6A-ii) Member Rafer recommends that the first recommendation could be more specific on how to create safe spaces. Chair Listana recommends finding examples that San Francisco can follow. Commissioner Barker Plummer agrees and suggests adding the words “transgender and non-conforming” to be more inclusive. Additionally, adding a previous Youth Commission resolution relating to the matter. Chair Listana suggests listing organizations the City can work with in the second recommendation. Commissioner Barker Plummer agrees and suggests LYRIC. Member Rafer suggests the SF LGBT Center. Chair Listana and Member Rafer really liked the third recommendation.

6A-iii) Commissioner Barker Plummer will put the recommendations in a list format and another format with more general recommendations. All members questioned what “youth advocates” is, and Commissioner Barker Plummer said he will finish that section.
